KENTUCKY.

CAPITAL, FRANKFORT.

Population, 2,147,174.
(U. S. Census of 1900.)
Number of Physicians, 3,628.

Kentucky was settled by Daniel Boone in 1769, organized as a Territory in 1790 and admitted as a State June 1, 1792. The total land surface is approximately 40,000 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 46.5; 1900, 53.7. It extends from 36 degrees 30 minutes to 39 degrees 6 minutes north latitude, and from 82 degrees 6 minutes to 89 degrees 44 minutes west longitude, and is bounded on the north by Ohio, Indiana and Illinois, on the west by Missouri, on the south by Tennessee, and on the east by Virginia and West Virginia. It has a river boundary of 813 miles, its northern border being washed by the Ohio, its eastern by the Big Sandy or Chattaroi and its western by the Mississippi; nearly all the other rivers which drain the State are affluents of the Ohio. The climate is mild and marked by no unhealthy extremes, the mean annual temperature being 55 degrees F.; that of the summer 73.96 degrees and of winter 38 degrees. The average annual rainfall along the Ohio River is about 48 inches, and in the southern extremity, 60 inches.

The following table shows increase in population since 1830:

1830	687,917	1870	1,321,011
1840	779,828	1880	1,648,690
1850	982,405	1890	1,858,635
1860	1,155,684	1900	2,147,174

FIFTY-FOURTH YEAR OF PUBLICATION.

THE

NORTH AMERICAN

Journal of Homœopathy

EDITED BY

EUGENE H. PORTER, A. M., M. D.

SUBSCRIPTION PRICE, THREE DOLLARS A YEAR.

The first Homœopathic Journal published in America, the NORTH AMERICAN is still regarded throughout the world as the representative journal of the homœopathic school in North America.

The NORTH AMERICAN is not the organ of any professional institution or organization. **It is actuated by a spirit of loyalty to the best interests of the homœopathic profession throughout the country.** It is in no sense local; not more than thirty per cent of its contributors practice in any one State, and its circulation is equally well distributed.

The list of subscribers shows a steady increase among the most successful homœopathic practitioners, those who will pay three dollars for a high-class journal.

The editorial policy is distinctly progressive. It stands for all that is of value in the realm of medicine. It fosters local interests by having a Regular Correspondent in all important centers, including the chief cities of Europe, and is represented at the leading medical meetings by a member of the editorial staff.

The standing of the NORTH AMERICAN in the homœopathic school is attested by its list of contributors. **The leading practitioners throughout the country** have always chosen it for the publication of their contributions to homœopathic literature.

THE MEDICAL LAW OF KENTUCKY.

(As Amended in 1904.)

Act of 1904.

Section 1. A board to be known as the State Board of Health is hereby established. It shall consist of eight members, all of whom shall be legally qualified registered practitioners under this act, seven of whom shall be appointed by the Governor by and with the advice and consent of the Senate, and the eighth member, who shall be the secretary and executive officer, shall be elected by the board, and by virtue of his office of secretary shall be a member of the board. One member of the board shall be a homeopathic, one an eclectic and one an osteopathic physician, and the other appointed members shall be regular, or allopathic physicians, all to be appointed by the Governor from lists of three names for each vacancy, furnished respectively by the State Society or Association of such schools or systems of practice as are entitled to a member, and the successors of such members shall be appointed in the same manner. If the board shall elect one of its members secretary, as it may do, the Governor shall appoint another member to complete the full number of the board. The president and secretary shall have authority to administer oaths for the purposes of this act, and the members of the board shall, before entering upon the discharge of their duties, take the oath prescribed by the Constitution for State officers.

Act of 1893.

Sec. 2. It shall be the duty of the county clerk of each county to purchase a book of suitable size, to be known as the "Medical Register" of the county, and to set apart one full page for the registration of each physician; and when any physician shall die or remove from the county, he shall make a note of the same at the bottom of the page; and said clerk shall, one the first day of January in each year, transmit to the office of the State Board of Health a duly certified list of the physicians of said county registered under this law, together with such other information as is hereinafter required, and perform such other duties as are required by this law; and such clerk shall receive the sum of fifty cents for each physician so registered, which shall be his full compensation for all the duties required under this law.

Act of 1893.

Sec. 3. It shall be unlawful for any person to practice medicine in any of its branches, within the limits of this State, who has not exhibited and registered in the county clerk's office of the county in which he resides his authority for so practicing medicine as herein prescribed, together with his age, address, place of birth, and the school or system of medicine to which he proposes to belong; and the person so registered shall subscribe and verify by oath, before such clerk, an affidavit containing such facts, which, if willfully false, shall subject the affiant to conviction and punishment for perjury.

Act of 1904.

Sec. 4. Authority to practice medicine under this act shall be a certificate from the State Board of Health, registered in the county in which the holder resides; and said board shall issue a certificate to any reputable physician who desires to practice medicine in this State, who has passed a satisfactory examination before it, in the branches of medicine as taught in reputable medical colleges; and said board shall, upon application, admit to examination any person of good moral character, who may possess any of the following qualifications:

1st. A diploma from a reputable medical college, legally chartered under the laws of this State.

2d. A diploma from a reputable and legally chartered medical college of some other State in this Union.

3d. Satisfactory evidence from the person claiming the same that such person was reputably and honorably engaged in the practice of medicine in this State prior to February 23, 1884.

Applicants may present their credentials by mail or proxy and shall receive due notice of the place and date of examination. Certificates shall be signed by the president and secretary, and attested by the seal of the board, and the fee for each examination, including the certificate, shall not exceed the sum of ten dollars. The members of the board shall be entitled to receive ten dollars per day and their necessary traveling expenses for each day devoted to such examinations, to be paid from the fees provided herein, and the board shall have authority to provide for such assistants as it may deem necessary and pay for the same from the fund arising from such fees.

Act of 1904.

Sec. 5. Examinations shall be held at least semi-annually at Frankfort, Louisville, Lexington, or other centrally located places, and on such dates as the board may deem will best suit the convenience of applicants. The questions for all exam-

inations in the branches common to all schools or systems of practice shall be prepared by a committee of the board, to consist of five members, one of which shall be a homeopath, one an eclectic, and one an osteopath, and said committee shall conduct all examinations and grade the same, and when any applicant has made the average prescribed by law, and is so graded, the Board of Health shall admit such applicant to the practice of his or her profession in this State. All examinations shall be conducted in writing, and in such manner that the result shall be entirely fair and impartial, the applicants being known by numbers so that no member of the board shall be able to identify the papers of any applicant until they have been graded and the case passed upon; and all questions and answers, with the grade attached, shall be preserved for one year. All applicants examined at any one time shall have the same questions asked them in anatomy, physiology, obstetrics, and the other branches common to all systems of practice, and shall be required to make an average grade of 70, with a minimum of 60 in any one branch; but all examinations, involving methods or principles of treatment shall be made and graded by that member of the bord who represents, or most nearly represents, the school or system of practice to which the applicant belongs, or the board may, in its discretion, omit the examination in such branches. No member of the board shall be a stockholder or member of the faculty or board of trustees of any medical college.

Act of 1904.

Sec. 6. Any person engaged in the practice of osteopathy in this State prior to February 1, 1904, who holds a diploma from a reputable osteopathic college, having a course of not less than four terms of five months each, legally chartered under the laws of any State in this Union, as determined by the osteopathic member of the board, and who makes application to the State Board of Health within ninety days after the passage of this act, accompanied by the fee hereinbefore provided, shall receive a certificate from the board without an examination, which, when registered in the office of the county clerk of the county of his residence, as required of other certificates issued by the board, shall authorize the holder thereof to practice osteopathy in this Commonwealth, but it shall not permit him to administer drugs, nor to perform surgical operations with the knife. The words, "practice of medicine," in this act, shall be held to include the practice of osteopathy. But no person shall be permitted to practice osteopathy in this Commonwealth without an osteopathic diploma and certificate as provided in this section.

Act of 1904.

Sec. 7. Any other person applying for authority to treat the sick or injured, or in any way discharge the duties usually performed by physicians, whether by medical, surgical or mechanical means, shall apply to the State Board of Health, who shall examine them as to their competency in such manner as they may deem fair and best, but such examination shall always include anatomy, physiology and pathology, and the term "practice of medicine," as used in this act, shall be construed to be the treatment of any human ailment or infirmity by any method; but this shall not include trained or other nurses, or persons selling proprietary or patent medicines, when not traveling as a troupe or troupes, composed of two or more persons.

Act of 1904.

Sec. 8. That any itinerant medical company of two or more persons traveling as a troupe or company as vendors of any drug, nostrum or instrument of any kind, intended for the treatment of any disease or injury, or who shall, by any writing or printing, profess to the public to treat disease or deformity by the use of any drug, nostrum, or instrument, shall pay to the board a license of $100 per month, which shall be at once covered into the State Treasury. The board shall issue a license to reputable and worthy applicants under this section upon payment of the fee each month, but may for sufficient cause refuse such license. Any such itinerant vendor traveling as a company or troupe, with two or more persons as members or in its employ, who shall treat or profess to treat or cure disease or injuries by the use of any drug, nostrum, or instrument without license to do so, or shall sell the same for such purpose, in violation of this section, shall, upon conviction, each and every person so engaged, be fined fifty dollars for the first offense, and upon each subsequent conviction shall be fined one hundren dollars.

Act of 1893.

Sec. 9. Nothing in this law shall be construed as to authorize any itinerant doctor to register or to practice medicine in any county in this State.

Act of 1893.

Sec. 10. Nothing in this law shall be so construed as to discriminate against any peculiar school or system of medicine, or to prohibit women from practicing midwifery, or to prohibit gratuitous services in case of emergency; nor shall this law apply to commissioned surgeons of the United States Army, Navy or Marine Hospital Service, or to legally qualified physicians of another State, called to see a particular case or family, but who does not open an office or appoint any place in this State where or she may meet patients or receive calls.

Act of 1904.

Sec. 11. The State Board of Health may refuse to issue the certificate provided for in this act for any of the following causes:

1st. The presentation to the board of any license, certificate or diploma which was illegally or fraudulently obtained, or the practice of fraud or deception in passing the examination.

Physicians' Casualty Association of America

2d. The commission of a criminal abortion, or conviction of a felony involving moral turpitude.

3d. Chronic or persistent inebriety, or addiction to a drug habit, to an extent which disqualifies the applicant to practice with safety to the people.

4th. Or other grossly unprofessional or dishonorable conduct of a character likely to deceive or defraud the public.

The board may suspend or revoke a certificate for any of the causes for which it may refuse to grant a license under the provisions of this act. In all proceedings for suspension or revocation under this act the holder of the certificate shall be furnished with a copy of the complaint, and shall be given at least thirty days thereafter to prepare for a hearing; and he shall be heard in person or by counsel, or both, as he may elect, and in such hearing and in all matters arising in the course of their duties, the president and secretary shall have authority to administer oaths; and in such hearing the board may take oral or written proof for and against the complaint, as it may deem will best present the facts. In all cases of refusal, suspension, or revocation, the applicant or holder may appeal to the Governor, who may affirm or overrule the decision of the board. Upon the suspension or revocation of any certificate, it shall be the duty of the board to give official notice of such action, under seal, to the county clerk of the county in which the holder is registered, and such name shall be marked as suspended for the period indicated, or stricken from the register, in accordance with such notice, and if such holder shall continue to practice he shall thereupon be subject to the penalties provided in the law to which this is an amendment.

Act of 1904.

Sec. 12. This act shall take effect and be in force in accordance with the provisions of the Constitution, but it is expressly provided that all certificates issued by the board under the provisions of the law to which this is an amendment, are hereby confirmed and continued in force, and all students who are matriculated in any medical or osteopathic college in this Commonwealth on or before February 1, 1904, and shall have graduated prior to September 1, 1907, and make application to the board prior to January 1, 1908, shall receive certificates without examination. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

Act of 1893.

Sec. 13. It shall be the duty of the State and local boards of health to bring to the attention of the courts any violations of the provisions of this law within their respective jurisdictions.

Act of 1898.

Sec. 14. Any person living in this State, or any person coming into this State, who shall practice medicine, or attempt to practice medicine in any of its branches, or who shall treat or attempt to treat any sick or afflicted person by any system or method whatsoever, for reward or compensation, without first complying with the provisions of this law, shall, upon conviction thereof, be fined fifty dollars, and upon each and every subsequent conviction shall be fined one hundred dollars and imprisoned thirty days, or either or both, in the discretion of the court or jury trying the case; and in no case where any provision of this law has been violated shall the person so violating be entitled to receive any compensation for the services rendered. To open an office for such purpose, or to announce to the public in any way a readiness to treat the sick or afflicted shall be deemed to engage in the practice of medicine within the meaning of this act.

LOUISIANA.

CAPITAL, BATON ROUGE.

Population of State, 1,381,625.
(U. S. Census of 1900.)
Number of Physicians, 1,664.

Louisiana, named in honor of Louis XIV., King of France, was admitted as a State April 30, 1812. It is bounded on the north by Arkansas and Mississippi, on the south by the Gulf of Mexico, on the east by Mississippi, and on the west by Texas, and extends from 89 degrees 30 minutes to 94 degrees west longitude, and from 29 degrees to 33 degrees north latitude. It comprises an area of 41,346 square miles, or 26,461,440 acres. The State throughout is a low, alluvial plain, and the southeastern and eastern counties are swampy, while those in the northwest and west, being somewhat hilly, are better drained. Much of the soil bordering on the Mississippi is below the level of the river during high water, and is protected from inundation by levees of earth similar to the dikes of Holland.

The climate is warm, but the winters are colder and more variable than in the same latitude on the Atlantic coast. The mean annual temperature, as observed at New Orleans, is 69.06 degrees, that of summer 81.08 degrees, and of winter, 56 degrees. The average annual rainfall is about 51 inches.

The following table shows the increase in population for 70 years:

1830	215,739	1870	726,915
1840	352,411	1880	939,946
1850	517,762	1890	1,118,587
1860	708,002	1900	1,381,625

MEDICAL LAWS OF LOUISIANA.

AN ACT—To regulate the practice of medicine, surgery and midwifery; to create State boards of medical examiners, and to regulate the fees and emoluments thereof; to prevent the practice of medicine, surgery and midwifery by unauthorized persons; and to provide for the trial and punishment of violators of the provisions of this act by fine or imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this act.

Section 1. Be it enacted by the General Assembly of the State of Louisiana, That from and after the promulgation of this act, no person excepting those already engaged under existing laws in the practice of medicine, surgery, midwifery and dentists, shall practice medicine in any of its departments within the State of Louisiana, unless such person shall possess all the qualifications required by this act.

Sec. 2. Be it further enacted, etc., That after the promulgation of this act, any person before entering upon the practice of medicine in any of its branches, dentists excepted, shall present to the board of medical examiners, as hereinafter constituted, a diploma from a medical college in good standing; said standing to be determined by the Board, and shall pass a satisfactory examination before the Board upon the following branches, to-wit.: Anatomy, physiology, chemistry, principles of medicine, obstetrics, physical diagnosis, surgery, materia medica and hygiene. The person shall also satisfy the Board that he or she is 21 years of age, of good moral character, and possesses at least a fair primary education. If said diploma and examination are satisfactory to the Board they shall issue to such person a certificate in accordance with the facts.

Sec. 3. Be it further enacted, etc., That the medical examiners herein provided for shall consist of two boards—one of physicians and surgeons recommended by the Louisiana State Medical Society, and one of physicians and surgeons recommended by the Hahnemann State Medical Society. There shall be five members of each Board, any three of whom shall constitute a quorum for the purpose of holding an examination and granting a certificate. All the members of both Boards shall be graduated physicians and practitioners.

The Board composed of physicians and surgeons recommended by the Louisiana State Medical Society, shall examine all applicants who propose to practice any other than the homeopathic system of medicine, and the Board composed of physicians recommended by the Hahnemann State Medical Society, shall examine all applicants who propose to practice the homeopathic system of medicine. The certificate of either Board shall be conclusive proof of the efficiency of the applicant examined by said Board. All examinations held by the Boards and the answers of the applicants shall be in writing,

and shall be kept as records. All members of both Boards shall be appointed by the governor of the State from a list of names presented by the Louisiana State Medical Society and the Hahnemann State Medical Society, and the governor shall have the right to remove any or all the members thereof for inefficiency or neglect of duty, and to fill all vacancies occurring in these Boards from names recommended by their respective societies.

Sec. 4. Be it further enacted, etc., That the first Boards of medical examiners appointed under this act shall meet and organize within thirty days from the date of their appointment, and shall name one member to serve for the term of two years, one member for the term of three years, one member for the term of four years, one member for the term of five years, and one member for the term of six years; deciding by lot or agreement among themselves as to their respective terms. At the expiration of the above terms each member shall be appointed by the governor for the term of six years, from names recommended by their respective State Medical Societies.

Sec. 5. Be it further enacted, etc., That every person practicing midwifery in this State, on the passage of this act, shall, within ninety days thereafter, register with the secretary of the Board of Health, in the parish of Orleans, and with the clerk of the district court in the other parishes of the State, in the manner provided for physicians, giving her age and length of time, and the place or places during, and at which, she has been engaged in said practice, and make affidavit thereto, and shall pay to the secretary of the Board of Health in the parish of Orleans, or to the clerk of the district court in the other parishes of the State as the case may be, a fee of $1. Said secretary of the Board of Health of the parish of Orleans, or clerk of the district court, shall issue a certificate to the one so registering in accordance with the facts herein set forth, upon a blank form to be furnished by the State Board of Health, which shall entitle the holder to practice midwifery in the parish in which said certificate is issued. The clerks of the district courts of the several parishes of the State, Orleans excepted, shall annually on the first Monday in January, make returns to the secretary of the State Board of Health in the parish of Orleans of all such certificates on record in his office.

All persons beginning the practice of midwifery in this State after the passage of this act, shall appear before one of the State Boards of Examiners and submit to such examination in midwifery as the Board shall require, and if such examination is satisfactory the said Board shall, upon receipt of $5, issue a certificate the same as provided for midwives in practice at the time of the passage of this act, which certificate shall be registered as in the manner provided for midwives in practice at the time of the passage of this act, but for such registration with the secretary of the State Board of Health or with the clerk of a district court, the holder of said certificate shall be required to pay a fee of 50 cents only. This section does not apply to the so-called midwife of rural districts and plantation practice, who, in the sense of this act, are not considered as practicing midwifery as a profession.

Sec. 6. Be it further enacted, etc., That the Boards of Medical Examiners are authorized to elect such officers and form such by-laws as may be necessary for the efficient operation of the boards.

The boards shall have a common seal, and the president and secretary of their respective boards, shall be empowered to administer oaths in the taking of testimony upon any matters pertaining to the duties of said boards.

Sec. 7. Be it further enacted, etc., That the regular meetings of the boards shall be held at least twice in each year in the City of New Orleans, but the president of the Board may call special meetings elsewhere in the State whenever the boards may deem it necessary or expedient; the call to be issued by the secretary and signed by the president.

Sec. 8. Be it further enacted, etc., That to prevent delay and inconvenience, one member of a board of medical examiners may grant a permit after a satisfactory examination to any applicant, and shall report thereon to the boards at the next regular meeting; such temporary permit shall not continue in force longer than until the next regular meeting of the boards, but such temporary permit shall in no case be granted within six months after the applicant has been refused a permit by the boards.

Sec. 9. Be it further enacted, etc., That the certificates issued in accordance with section 2, of this act, shall be recorded in the office of the clerk of the district court of the parish in which he or she resides, who shall make this recordation in a book to be kept for that purpose only, and also certify to such recordation by an endorsement of the original certificate, which the holder thereof shall transmit or deliver to the State Board of Health; and the clerk recording the same shall be entitled to a fee of one dollar. Such certificate transmitted or delivered to the State Board of Health shall entitle the holder to be placed on the list of registered physicians and surgeons, the publication of which is hereinafter provided for. Said Board of Health shall preserve such certificates, and a copy thereof, signed by its secretary, shall be received as evidence in the courts of this State, and for such copy a fee of fifty cents shall be paid. Until such recordation is made, the holder of such certificate shall not exercise any of the rights or privileges therein conferred to practice medicine.

Sec. 10. Be it further enacted, etc., That it shall be the duty of the State Board of Health to publish annually in the official journal of the State (and if there is no such journal, in one of the daily newspapers published in the City of New Orleans) a list of the registered physicians and surgeons in the State and their residences, and such published list shall be received in evidence by the courts of this State as proof that the physicians and surgeons therein named are duly registered as required by law, and the said

State Board of Health is hereby required to strike from said list the name of any person whose certificate may have been revoked by the State Boards of Medical Examiners, as herein provided for.

Sec. 11. Be it further enacted, etc., That the members of said Boards of Medical Examiners shall receive, as a compensation for their services, ten ($10) dollars per day during their session, and, in addition thereto, their hotel and traveling expenses by the most direct route to and from their respective places of residence, to be paid out of any moneys in the treasury of the boards upon the certificate of the president and secretary. The boards are empowered to demand a fee of one ($1) dollar for the issuing of each certificate. The fee for examination shall be ten ($10) dollars. If the applicant fails to pass a satisfactory examination, and no certificate is issued to him or her, five ($5) dollars, to be paid into the treasury of the boards, only of his or her fees to be retained. The fee for certificate of temporary permit shall be five ($5) dollars, to be paid into the treasury of the boards, said fee to be accredited to the applicant when he applies to the boards for a permanent permit.

Sec. 12. Be it further enacted, etc., That any itinerant vendor of any drug, nostrum, ointment or application of any kind, intended for the treatment of disease or injury, or who may by writing, print or other methods, profess to cure or treat disease or deformity by any drug, nostrum, manipulation, or other expedient in this State, shall, if found guilty, be fined in any sum not less than twenty ($20) dollars and not exceeding one hundred ($100) dollars for each offense, to be recovered in an action of debt, before any court of competent jurisdiction, or shall be imprisoned for a term of not less than ten (10) days or more than thirty (30) days, or be both fined and imprisoned.

Sec. 13. Be it further enacted, etc., That any person shall be regarded as practicing medicine, in any of its departments, within the meaning of this act, who shall append the letters M. D. or M. B. to his or her name, or repeatedly prescribe or direct, for the use of any person or persons, any drug or medicine or other agency for the treatment, cure or relief of any bodily injury, infirmity or disease. This act shall not apply to farmers and planters when exclusively practicing, without compensation, on their employees and tenants.

Sec. 14. Be it further enacted, etc., That any person practicing medicine, in any of its departments in this State, without first having obtained the certificate herein provided for or contrary to provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than $50, or more than $100, or by imprisonment in the parish jail for a period of not less than ten days, or more than ninety days, or by both fine and imprisonment for each offense. It shall be the duty of the respective district attorneys to prosecute violations of the provisions of this act, before any court of competent jurisdiction.

Sec. 15. Be it further enacted, etc., That the said boards shall have power to revoke any permit or certificate issued by them whenever it shall appear that the physician thus licensed has been convicted of immoral conduct before a competent court.

Sec. 16. Be it further enacted, etc., That any practitioner of medicine, in any of its departments, failing to comply with the requirements of this act, shall not be exempt from jury or military duty, nor be permitted to collect any fees or charges for services rendered, nor be allowed to testify as a medical or surgical expert in any court in this State nor execute any certificate as a physician or surgeon, nor to hold any medical office nor to be recognized by the State or parish or municipal corporation as a physician or surgeon; nor shall he be entitled to enjoy any of the privileges, rights or exemptions granted to physicians or surgeons by the laws of this State.

Sec. 17. Be it further enacted, etc., That this act shall not apply to any commissioned surgeon of the United States army, navy, or marine hospital service; to physicians or surgeons from other States or Territories in actual consultation with a registered physician of this State, nor to any physician actually practicing in this State before the passage of this act and in accordance with then existing laws.

Sec. 18. Be it further enacted, etc., That the said boards shall report to the prosecuting officer of the State of Louisiana all persons violating the provisions of this act. They shall report, annually, to the governor of this State upon the condition of the practice of medicine in the State, its recommendations for the improvement of the practice, as well as a record of the proceedings of the Board during the year, together with the names of all physicians or surgeons to whom the said Board shall have issued certificates during the year, in accordance with the provisions of Section 2 of this act.

Sec. 19. Be it further enacted, etc., That it shall not be lawful for the State Boards of Medical Examiners, or any member thereof, in any manner whatever, or for any purpose, to charge or obligate the State of Louisiana for the payment of any money, except as provided for in act 44 of the acts of 1882, relating to the publication of registered physicians, etc., and the said boards shall look alone to the revenue derived from the operation of this act for the compensation designated in Section 11 of this act. And if said revenue is not sufficient to pay each member in full, as per Section 11, then the amount thus received shall be pro-rated among the members. But if, at the end of the year, there should be a greater revenue derived than sufficient to defray the expenses of the boards at all their sessions for the year as provided in Section 7, such surplus shall remain in the treasury to be used in the expenditures of the boards during the succeeding year.

Sec. 20. Be it further enacted, etc., That all laws or parts of laws in conflict with this act be and the same are hereby repealed.

AMENDMENT TO SECTIONS 14 AND 19, ACT 49 OF SESSION 1894.

AN ACT—To amend and re-enact Sections 14 and 19 of an act entitled "An Act to regulate the practice of medicine, surgery and midwifery; to create State Boards of Medical Examiners, and to regulate the fees and emoluments thereof, to prevent the practice of medicine, surgery and midwifery by unauthorized persons; and to provide for the trial and punishment of violators of the provisions of this Act by fine or imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this act, 'being Act No. 49, of the General Assembly of the State of Louisiana, approved July 4, 1894, and to repeal all parts of said act in conflict herewith; and to provide for the enforcement of said Act by penalties and through civil process.' "

Section 1. Be it enacted by the General Assembly of the State of Louisiana, That Section 14 of an act entitled, "An act to regulate the practice of medicine, surgery and midwifery; to create State Boards of Medical Examiners, and to regulate the fees and emoluments thereof; to prevent the practice of medicine, surgery and midwifery by unauthorized persons; and to provide for the punishment of violators of the provisions of this act by fine or imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this act be amended as to read as follows:

Sec. 14. Be it further enacted, etc., That if any person shall practice medicine in any of its departments in this State, without first having obtained the certificate herein provided for, or contrary to the provisions of this act the Board of Medical Examiners created by this act may through their respective presidents cause to issue in any competent court a writ of injunction forbidding and enjoining said person from further practicing medicine in any of its departments in this State, until such person shall have first obtained the certificate herein provided for and under the provisions of this act.

That said injunction shall not be subject to being released upon bond. That in the same suit in which said injunction may be applied for, the said boards through their respective presidents aforesaid, may sue for and demand of the defendant a penalty not to exceed one hundred dollars; and in addition thereto attorney's fees not to exceed fifty dollars, besides the costs of court; judgment for which penalty, attorney's fees, and costs may be rendered in the same judgment in which the injunction may be made absolute. That the trial of said proceeding shall be summary, and be tried by the judge without the intervention of a jury.

Sec. 2. Be it further enacted, etc., That Section 19 of said act be so amended as to read as follows:

Sec. 19. Be it further enacted, etc., That it shall not be lawful for the said Board, of Medical Examiners or any member thereof, in any manner whatever, or for any purpose, to charge or obligate the State of Louisiana for the payment of any money except as provided for in Act 44 of the acts of 1882 relating to the publication of registered physicians, etc., and the said boards shall look alone to the revenue derived from the operation of this act for the compensation designated in Section 11 of this act. And if said revenue is not sufficient to pay each member in full, as per Section 11, then the amount thus received shall be prorated among the members. But if at the end of the year, there should be a greater revenue derived than sufficient to defray the expenses of the Board at all their sessions for the year, as provided in Section 7, such surplus shall remain in the treasury to be used in the expenditures of the boards during the succeeding year. Provided, That said Boards of Medical Examiners shall have the right to employ counsel to carry out the provisions of this act, said counsel to be paid only out of the attorney's fees recovered by him or them respectively as part of the penalty provided in section 14 of this act, and that the cost for all proceedings taken under the provisions of Section 14 of this act shall be payable out of the revenues including penalties collected under the provisions of this act.

Sec. 3. Be it further enacted, etc., That all laws and parts of laws contrary to and in conflict with any of the provisions of this act be and the same are hereby repealed.

MAINE.

CAPITAL, AUGUSTA.

Population of State, 694,466.
(U. S. Census of 1900.)
Number of Physicians, 1,295.

The State of Maine is located in the extreme northeastern portion of the United States, and extends from 43 degrees 5 minutes to 47 degrees 30 minutes north latitude and from 66 degrees 50 minutes to 71 degrees west longitude. It is bounded on the north by Canada, on the south by the Atlantic Ocean, on the east by New Brunswick, and on the west by New Hampshire, and comprises an area of 35,000 square miles or 22,400,000 acres. The western portion of the State is mountainous, the range being part of the Appalachian system.

The climate is healthful, and the winters, although long and severe, are unmarked by injurious variations, while the summers are pleasant. The mean annual temperature at Portland is 43.00 degrees, that of summer 63.73 degrees, and of the winter 21.69 degrees. These figures are the result of observations extending over a period of 37 years. The average annual rainfall is about 44.50 inches.

The following table shows the increase in population for 70 years:

1830	399,455	1870	626,915
1840	501,719	1880	648,936
1850	583,169	1890	661,086
1860	628,279	1900	694,466

MEDICAL PRACTICE ACT.

Chapter 170, Acts of 1895.

STATE OF MAINE.

In the Year of Our Lord One Thousand Eight Hundred and Ninety-five.

An Act to Regulate the Practice of Medicine and Surgery.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

Section 1. The Governor, with the advice and consent of the council, shall appoint six persons, residents in this State, who shall be graduates of a legally chartered medical college or university having the power to confer degrees in medicine, and who shall have been actively employed in the practice of their profession for a period of five years, who shall constitute a Board of Registration of Medicine. Such persons shall be appointed and hold office for terms of two, four, and six years respectively, beginning with the first day of July in the present year, and until their successors are appointed, and thereafter the Governor, with the advice and consent of the council, shall appoint on or before the first day of July every other year, two persons qualified as aforesaid, to hold office for six years from the last named day. No member of said board shall belong to the faculty of any medical college or university. Vacancies in said board shall be filled in accordance with the provisions of this act for the establishment of the original board and the person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he fills. Any member of said board may be removed from office for cause by the Governor, with the advice and consent of the council, and not more than two members of said board shall at one time be members of any one chartered state medical society.

Sec. 2. The members of said board shall meet on the second Tuesday of July next, at such time and place as they may determine, and shall immediately proceed to organize by electing a chairman and secretary, who shall hold their respective offices for the term of two years. The secretary shall give to the state treasurer a bond in the penal sum of one thousand dollars, with sufficient sureties to be approved by the Governor and council, for the faithful discharge of the duties of his office. The said board shall hold regular meetings, one in March, one in July and one in November of each year, and such additional meetings at such times and places as it may determine. Said board shall cause a seal to be engraved and shall keep correct records of all its proceedings, and is hereby authorized to make such minor rules and regulations as shall be deemed necessary for the successful enforcement of this act.

Sec. 3. It shall be the duty of said board immediately upon its organization to notify all persons practicing medicine or surgery for gain or hire as a livelihood in this state, of the provisions of this act, by publication in one or more newspapers in each county, and every such person who is a graduate of a legally chartered medical college or university having power to confer degrees in medicine, and every person who has been a practitioner of medicine or surgery in this State for a period of three years next prior to the passage hereof, shall upon exhibition of satisfactory proof thereof to said board and upon the payment of a fee of two dollars be entitled to registration, and said board shall issue to him a certificate signed by the chairman and secretary and sealed, and said certificate shall state the facts and the cause of said registration, and must be publicly displayed at the person's principal place of business as long as said person continues such practice for gain or hire.

Sec. 4. Any person not entitled to registration as aforesaid shall, upon the payment of a fee of ten dollars, be entitled to examination, and if found qualified by a majority of the members of the board present, shall be registered as a physician

or surgeon, and shall receive a certificate thereof as provided in section three. Any person refused registration may be re-examined at any regular meeting of said board, within two years of the time of such refusal, without additional fee, and thereafter may be examined as often as he may desire upon the payment of the fee of ten dollars for each examination. Said board, after a conviction before a proper court, for crime in the course of professional business, and after hearing, may by unanimous vote revoke any certificate issued by them and cancel the registration of the person to whom the same was issued. Said board has also power to suspend or revoke any certificate by unanimous vote, in any case where same certificate has been wrongfully obtained or any fraud connected with the said registration. All fees received by the board under this act shall be paid by the secretary thereof into the treasury of the state once in each month.

Section 5. The compensation, incidental and traveling expenses of the board shall be paid from the treasury of the State. The compensation of members of the board shall be five dollars each for every day actually spent in the discharge of their duties, and five cents per mile each way for necessary traveling expenses in attending the meetings of the board, but in no case shall any more be paid than has actually been expended. The secretary shall be allowed extra compensation for books, stationery, postage, and other necessary expenses actually incurred. Such compensation and the incidentals and traveling expenses shall be approved by the board and sent to the auditor of the State, who shall certify to the Governor and council the amount due, as in case of other bills and accounts approved by him under the provisions of law; provided that the amount so paid shall not exceed the amount received by the treasurer of the State from the board in fees as herein specified, and so much of said receipts as may be necessary is hereby appropriated for the compensation and expenses of the board as aforesaid.

Section 6. The board shall keep a record, the names and residences of all persons registered hereunder, and a record of all moneys received and disbursed by said board, and said records or duplicates thereof shall always be open to inspection in the office of the secretary of state during regular office hours. Said board shall annually report to the Governor, on or before the first day of January in each year, the report to contain a full and complete account of all its official acts during the year, also a statement of receipts and disbursements of the board and such comments or suggestions as may be deemed essential.

Sec. 7. It shall be the duty of the board, its members or agents, to investigate all complaints regarding non-compliance with or violation of the provisions of this act and to bring all such cases to the notice of the proper prosecuting officers.

Sec. 8. (As amended March 22, 1901.) *On and after the passage of this act, the board shall examine all applicants for registration as licensed physicians or surgeons. Each applicant shall, at least seven days before the date of his examination, present to the secretary of the board an application under oath or affirmation, giving satisfactory proof of being twenty-one years of age, of having good moral character and of being a graduate of some reputable medical school or college having power to confer degrees in medicine, and in good standing, and maintaining a standard of preliminary education and of medical instruction approved by the board. He shall also present such other facts as the board in its blank application may require, and must pay the fees herein provided. Examinations shall be in whole or in part in writing and shall be of an elementary and practical character. They shall embrace the general subjects of anatomy, physiology, pathology, materia medica and therapeutics, surgery, the principles and practice of medicine, and obstetrics, or such branches thereof as the board may deem necessary for the applicant to possess. The board is also hereby authorized to make such rules and regulations as may be necessary for reciprocity of licensure with the boards of other states which maintain a standard of education at least equal to their own; but no such rules shall become operative until they have been approved by a justice of the supreme judicial court.

Sec. 9. On and after the first day of January, eighteen hundred and ninety-six it shall be illegal for any person not duly registered by this board to practice medicine or surgery, or any branch thereof, for gain or hire within this State. Whoever not being registered as aforesaid shall so practice or shall advertise or hold himself out to the public as a physician or surgeon in this State who appends to his name the letters "M. D.," or who uses the title of a doctor or physician, meaning thereby a doctor of medicine, shall be punished by a fine of not less than one hundred nor more than five hundred dollars for each offense, or by imprisonment in jail for three months, or both.

'Section 10. (As amended March 22, 1901.) *This act shall not apply to commissioned officers of the United States Army, Navy, or Marine Hospital service, or to a physician or surgeon who is called from another state to treat a particular case and who does not otherwise practice in this State, nor to prohibit gratuitous service or the rendering of assistance in emergency cases, nor to mid-wives who lay no claim to the title of physician or doctor.'

Section 11. Neither shall this act apply to clairvoyants or to persons practicing hypnotism, magnetic healing, mind cure, massage, Christian science, so called or any other method of healing if no poisonous or dangerous drugs are employed nor surgical operations performed; provided, such person do not violate any of the provisions of section nine of this act in relation to the use of "M. D.," or the title of doctor or physician.

Section 12. For the purposes of the appointment of said board of registration of person by it hereunder, this act shall take effect upon its passage and shall take full effect on the first day of January, in the year eighteen hundred and ninety-six.

Approved March 27, 1895.

BOARD OF REGISTRATION OF MEDICINE.

RULES ADOPTED BY THE BOARD OF REGISTRATION OF MEDICINE IN ACCORDANCE WITH CHAPTER 275, ACTS OF 1901, RELATING TO RECIPROCITY OF REGISTRATION WITH OTHER STATES.

Any person who is eligible for examination before this board and who has been examined and registered or licensed by the examining board of any other state, which maintains a standard of education at least equal to that required in this State, may be registered by this board and have a certificate issued to him, signed by the chairman and secretary, upon complying with the following requirements, to wit:

He shall present to the secretary of this board an application (the blank form which will be furnished by the secretary upon request therefor) giving

1. Name, postoffice address and date.
2. Place and date of birth.
3. Present residence.
4. Proposed residence.
5. Source and amount of preliminary or academic education with degrees held.
6. Source, character and dates of medical education and graduation.
7. A certificate signed by the president, secretary or dean of the college or school granting the diploma, giving a brief history of his connection with the college or school, and bearing its seal.
8. The location and period of medical practice.
9. The date of examination and licensing by the attesting board.
10. A certified copy of the certificate or license bearing the seal of the board.
11. An affidavit of the secretary of the board stating the facts of issue of certificate or license after a written examination in not less than seven branches, naming each, with its rating by the board, and the general average of all, which must not be less than 75 per cent.
12. An affidavit of the president or chairman of the board affirming the secretary's affidavit.
13. An affidavit of the president or secretary of some state or local medical society that the applicant is at present in good professional standing.
14. An affidavit of the applicant that he (or she) is the person named in the certificate and that all the statements in the application are true.

The application when completed shall be sent to the secretary of the board with a fee of twenty-five dollars enclosed; and if found satisfactory and the state granting the original license will reciprocate by accepting the certificate of this board under a similar application, the chairman and secretary will forthwith forward the certificate of the board and admit the applicant to registration with the same privilege as if examined by this board.

The fees of the chairman and secretary for furnishing the same or similar evidence for a license of this board to register in other state shall be five dollars.

MARYLAND.

CAPITAL, ANNAPOLIS.

Population of State, 1,190,050.
(U. S. Census of 1900.)
Number of Physicians, 2,258.

Maryland is situated between the parallels of 37 degrees 53 minutes, and 39 degrees 44 minutes, north latitude, and the meridians of 75 degrees 04 minutes, and 79 degrees 33 minutes west longitude (the exact western boundary being yet undetermined), and is one of the upper tiers of Southern States. It is bounded on the north by Pennsylvania, on the south and west by Virginia, West Virginia and the District of Columbia, and on the east by the Atlantic ocean and Delaware. Its gross area is 12,210 square miles, of which 9,860 square miles are land surface; the included portion of the Chesapeake Bay 1,203 square miles, Assateague Bay on the Atlantic coast 93 square miles, with 1,054 square miles of smaller estuaries and rivers. The Chesapeake Bay ascends to within a few miles of its northern boundary, dividing the State into the eastern and western shores. The rivers, excluding mere estuaries of the bay, are the Potomac, Patuxent, Patapsco, Gunpowder, Susquehanna, Elk, Sassafras, Chester, Choptank, Nanticoke, Wicomico and Pocomoke, all emptying into Chesapeake Bay. Besides these, the coast line of the bay is deeply indented with a multitude of creeks, coves and other estuaries penetrating the land in all directions, usually bearing the names of rivers and often navigable to some distance by vessels of light draft.

See Page 4 For Catalogue write The National Fur & Tanning Co. Three Rivers, Mich.

Perhaps nowhere else in the world is there a coast line proportionately so extensive or any country offering such facilities for water transportation as tide-water Maryland. Along the ocean frontier runs a narrow reef of sand inclosing and sheltering Synepuxent and Assateague bays, and giving inland navigation along the whole Atlantic coast of the state. Maryland presents a great variety of configuration of soil and climate. The four most westerly counties extend through the systems of mountain ranges known as the Allegheny and the Blue Ridge; east of these is the Piedmont region, gently inclining towards tide-water, and on both sides of the bay lies the Coastal Plain. The climate, tempered by the vicinity of the ocean and Chesapeake Bay, is on the whole mild and salubrious. The mean annual temperature of the middle portion of the State is 56°, of the northern 54°, and of the highest portions in the west about 50°. The rainfall is abundant throughout the State, and is largest on the western coast of Chesapeake Bay, where it averages about 50 inches.

The following table shows the increase in the population since 1850:

1850	583,034	1880	934,943
1860	687,049	1890	1,042,390
1870	780,894	1900	1,190,050

THE JOHNS HOPKINS UNIVERSITY

MEDICAL DEPARTMENT.

The Medical Department is an integral part of the Johns Hopkins University and in close affiliation with the Johns Hopkins Hospital.

CONDITIONS OF ADMISSION. As candidates for the degree of Doctor of Medicine the School receives only graduates of approved colleges or scientific schools who can furnish evidence that they are acquainted with Latin and have a reading knowledge of French and German, and that they have such knowledge of physics, chemistry and biology as is imparted by the regular minor courses given in these subjects in The Johns Hopkins University. The phrase "a minor course" means a collegiate course that requires a year for its completion. In physics, four class-room exercises and three hours a week in the laboratory; in chemistry and biology, four class-room exercises and five hours a week in the laboratory in each subject are required.

GENERAL PLAN OF INSTRUCTION. The course of instruction occupies four years. The academic year begins October 1st and closes the middle of June, with short recesses at Christmas and Easter. Men and women are admitted upon the same terms. In the methods of instruction, especial emphasis is laid upon practical work in the Laboratories and in the Dispensary and Wards of the Hospital. While the aim of the School is primarily to train practitioners of medicine and surgery, it is recognized that the medical art should rest upon a suitable preliminary education and upon thorough training in the medical sciences. The first two years of the course are devoted mainly to practical work, combined with demonstrations, recitations, and, when deemed necessary, lectures in the Laboratories of Anatomy, Physiology, Physiological Chemistry, Pharmacology and Toxicology, Pathology and Bacteriology. During the last two years the student is given abundant opportunity for the personal study of cases of disease, his time being spent largely in the Hospital Wards and Dispensary, and in the Clinical Laboratories. Especially advantageous for thorough clinical training are the arrangements by which the students, divided into groups, engage in practical work in the Dispensary, and throughout the fourth year serve as clinical clerks and surgical dressers in the wards of the Hospital.

SPECIAL COURSES FOR GRADUATES IN MEDICINE. Special courses for physicians are given at different times during the sessions. These courses are in Normal Histology, Gross Anatomy, Pathology, Bacteriology, Clinical Microscopy, Medicine, Surgery, Gynecology, Obstetrics and the various specialties. They are of a practical character and intended to meet the needs of practitioners of medicine.

CHARGES FOR TUITION. The charge for tuition for candidates for the degree of Doctor of Medicine is $200.00 per annum, payable in semi-annual installments, October 1 and February 1. There are no extra charges for Matriculation or for the Laboratory courses. The fees for special courses for graduates in medicine can be learned on application to the Dean of the Medical School.

The annual announcement of the Medical Department, including that of Special Courses for Graduates in Medicine, will be sent upon application to the

MEDICAL LAWS OF MARYLAND.

ARTICLE 43.—Title "Health"; Sub-Title, "Practitioners of Medicine."

AS AMENDED AND ADDED TO AT THE SESSION OF GENERAL ASSEMBLY FOR 1892, 1894, 1896 AND 1902.

(Laws as left in 1892, 1894 and 1896 so designated.)

Section. 39. All persons now practicing medicine and surgery, or who shall hereafter begin to practice medicine and surgery in any of their departments, except dentistry, in the State of Maryland, shall possess the qualifications required by this sub-title of this Article.

Sec. 40. From and after the first Tuesday of June, eighteen hundred and ninety-two, there shall be and continue to be two separate Boards of Medical Examiners for the State of Maryland—one representing the Medical and Chirurgical Faculty of the State of Maryland, and one representing the Maryland State Homœopathic Medical Society of the State of Maryland. The members of said respective Boards in office at the time when this law shall go into effect shall continue to hold and exercise their respective offices up to the first Tuesday in June, nineteen hundred and two. On the first Tuesday of June, nineteen hundred and two, said two Boards of Medical Examiners shall be reorganized, and thereafter said boards shall be constituted as follows: Each of said boards shall consist of eight members, who shall be selected by the Medical and Chirurgical Faculty of the State of Maryland and the Maryland State Homoeopathic Medical Society, respectively, at the annual meetings of said respective societies; and each appointee is, immediately after his election, to be furnished with a certificate thereof by the society electing him. Each such member of said respective boards, except those elected in the year nineteen hundred and two, shall serve for four years, or until his successsor is appointed and qualified. At their respective annual meetings held in the year nineteen hundred and two, each of said aforementioned societies shall elect the full number of eight examiners for its respective board, of whom two shall be elected for four years, two for three years, two for two years, and two for one year, and thereafter two examiners shall be elected by each society in each year, as hereinbefore provided, to serve for a term of four years or until their successsors are appointed and qualified, the outgoing members to be eligible for re-election. The terms of office of all members so elected shall begin on the first Tuesday in June, in the year in which they shall be respectively elected; each board is to have the exclusive right to examine, pass upon the qualifications of and license its own applicants. The examiners shall be physicians actually engaged in the practice of medicine or surgery in the State of Maryland, and of recognized ability and honor. No member of any medical college or university, who passes upon the qualifications of graduates of any medical school, shall be eligible to serve as a member of either of said boards. In case of a vacancy occurring in either of said boards, the board in which such vacancy shall occur shall fill the same until the next annual meeting of the Medical and Chirurgical Faculty, or the Maryland State Homoeopathic Medical Society, according as the board in question may be the representative of one or other of said societies, when said society shall elect an examiner to serve for the remainder of such unexpired term.

Sec. 40a. Each of said boards shall, at its meeting on the first Tuesday in June of each year, appoint a secretary-treasurer for the board, whose term of office shall last for one year, and who shall be eligible for re-appointment, and whose duties shall be as follows: Within sixty days from the time of his appointment by his respective board, it shall be the duty of the Clerk of the Circuit Court of Baltimore City, and the Clerks of the Circuit Courts of each county in the State, to furnish the secretary-treasurer of each board a list of all physicians who have been legally registered, in such Court. To all those physicians who have at that time been practicing in the State without having been legally registered, said secretary-treasurer shall send a printed notice of the section of this Act relating to the duty of the Police Commissioners in Baltimore City and the sheriffs of the counties of the State under this law. Within four months of the time of his appointment he shall see that all physicians entitled to register have been registered, and that the names of all those who are not entitled to be registered under this Act have been presented for prosecution to the State's attorney of the City of Baltimore, and of each county in the State in which the accused, respectively, reside. Those physicians, who, being entitled to register under this Act, yet have failed to comply at the expiration of this time—four months from the election of the secretary-treasurer of the board—shall also be prosecuted, and no one after the passsage of this Act shall be allowed to practice medicine or surgery without being duly registered according to the provisions of this Act. The secretary-treasurer shall keep the official records of the board for which he is secretary, as provided for in Section 41, of this Act, the examination papers of applicants for at least three years, after they have been passed upon by the board, after which they are to be destroyed, and a complete list of all registered physicians in the entire State. He shall call the attention of the State's attorneys of Baltimore City and of the different counties throughout the State to all violations of the law under this Act. He shall collect and hold all moneys belonging to the board, for which he shall give bond to the State of Maryland in the sum of $1,000, the same to be held by the president of the board. He shall receive from the income of the board such salary as his respective board may determine.

Sec. 41. Each board of medical examiners shall meet on the first Tuesday in June in each year for the purpose of reorganization. At said first meeting of said respective boards, each of said boards shall effect an organization by the election from its own membership of a president, and shall also appoint a secretary-treasurer, as otherwise

provided in this Article. For the purpose of examining applicants for licenses, each of said boards of medical examiners shall hold one or more stated or special meetings in each year, due notice of which shall be made public, at such time and places as may be determined by the members thereof, respectively. At said stated or special meeting a majority of the members of the board shall constitute a quorum thereof. Each of said boards of medical examiners shall keep an official register of all applicants for an examination for a license to practice medicine and surgery in this State; said register for license shall show the name, age and last place of residence of each candidate, the school from which he or she may have graduated, and whether such applicant was rejected or licensed under this sub-title; but such matters shall not be written in the register or made public until after the examination.

Sec. 42. At the first meeting of an examining board, or at a stated or special meeting held subsequently, suitable provision shall be made by each of the examining boards to prepare a schedule of written examination upon anatomy, physiology, medical chemistry, surgery, practice of medicine, materia medica, therapeutics, obstetrics and pathology, and the same standard of excellence shall be required from all candidates. In the departments of therapeutics and practice, the questions shall be in harmony with the tenets of the school selected by the candidate; the standard of requirements therein to be established by each board for itself. Whenever members of any board are necessarily absent from meetings held for the examination of applicants for license, suitable temporary provision shall be made for thorough examination in each and all of the aforesaid subjects by members present. The examination shall be fundamental in character. The votes of all the examiners present shall be "yes" or "no," written with their signature upon the backs of the examination papers of each candidate for the respective branches.

Sec. 43. All persons, except physicians who were practicing medicine in this State prior to the first day of January, 1898, who are now practicing medicine or surgery and can prove by affidavit that within one year of said date said physician had treated in his professional capacity at least twelve persons, who shall commence the practice of medicine or surgery in any of their branches after the passage of this Act, shall make a written application for license to the president of either board of medical examiners which said applicant may elect, accompanied by satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has either received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college in the United States or a diploma or license conferring the full rights to practice all the branches of medicine and surgery in some foreign country; said diploma, if from a college in the United States, must have been conferred by a legally incorporated college requiring a four-years' standard of education as defined by the American Medical College Association or the Intercollegiate Committee of the American Institute of Homoeopathy, respectively; provided, that this requirement shall not apply to any physician who shall, prior to the passage of this Act, have practiced outside of this State for at least three years, and who shall have been duly registered or licensed in the place where he has so practiced; provided, further, that two courses of medical lectures, both of which shall be either begun or completed within the same calendar year, shall not satisfy the above requirements; provided, also, that in the case of students who at the time of the passage of this Act shall be in their second year in a medical college, a three-years' course of study, or attendance on three courses of lectures delivered in different years, shall satisfy said requirements. Proof of the qualification of applicants, as above, shall, if required, be made by affidavits at the time of the making of said application and payment of fee as provided. The president of the board to whom such application shall have been made, if satisfied with the same, shall direct the secretary-treasurer thereof to issue to said applicant an order for examination, and when said applicant shall have passed an examination as to proficiency satisfactory to said board, the president thereof shall grant to such applicant a license to practice medicine and surgery in the State of Maryland. If the president of either board of medical examiners shall have refused any application, either for want of the qualifications necessary to entitle such applicant to an examination, as hereinbefore provided, or for want of proficiency of such applicant upon being subjected to an examination, then the president of neither of said boards shall entertain or pass upon a subsequent application from said applicant until after the expiration of six months from the rejection of said previous application. The respective boards are authorized to license, without examination, applicants who present proper certificates of proficiency and professional standing at the time of application, issued by boards of medical examiners of the District of Columbia and of other States, the requirements of which are of as high a standard as those governing the boards of medical examiners of this State; provided, such boards of such States or district grant the same privileges to licentiates of the examining boards of Maryland, such applicants, however, being still required to furnish the same proof of qualifications required of other applicants by this section. Medical students at the end of their second year of study, who have, as verified by the certificate of the dean of the college which they have attended, completed the studies of anatomy, physiology, medical chemistry, and materia medica in said college, shall on application, be examined in such studies by the State licensing board, the result of said examination to be considered as part of the final examination, the full regular fee to be paid at this time, no part thereof to be returned, but placed to their credit for the remainder of the examination yet to be taken. Medical students who have, as verified by the certificate of the dean of the college which they have attended, completed a full four-years' course of studies and lectures, but who have not yet received their diplomas, shall upon application be examined in all the branches enumerated in Section 42 of this Article by the State Licensing Board, the final certificate and license of the said board being withheld until the diploma of the proper medical college, with the candidate's name inscribed, be produced to the secretary of the board. Diplomas presented by graduates of foreign colleges shall be accepted if a course of four-years' study has been required by said foreign college before issuing such diploma,

Sec. 43a. Any physician who may change his residence from the District of Columbia to the State of Maryland, or who while living in the District of Columbia shall desire to practice medicine or surgery in the State of Maryland, shall, upon application to the examining board of the State of Maryland, be entitled to a license, without fee and without examination; provided, that the application be properly endorsed at the time it is presented by the examining board of the District of Columbia, certifying to the proficiency and professional standing of the applicant, and provided further, that the examining board of the District of Columbia shall, under the laws thereof, grant like and equal privileges to the licensed physicians of this State who may remove to said District of Columbia, or while continuing to reside in this State may desire also to practice in said District.

Sec. 44. That all examinations shall be conducted in such manner that the name, school of graduation and preparatory training of said applicant shall not be made known to the board of examiners until his examination papers have been graded. An applicant receiving a majority of the votes of the board before whom the applicant appears shall be considered to have passed a satisfactory examination and entitled to the license of said board. (1892.)

Sec. 45. A fee of fifteen dollars shall be paid to the secretary-treasurer of the board before whom the applicant appears before such examination is had, which payment shall entitle said applicant to a second examination, in case of failure, at the expiration of six months and within twelve months thereafter; said fee to be applied by said board towards paying the expenses of said board.

Sec. 46. The board shall refuse to grant a license to any applicant who may be radically deficient in his examination in any essential branch; provided, that in any case of failure at any such examination, the candidate shall not be permitted to take another examination before either board until after the expiration of six months from the date of his rejection; provided, however, that any applicant who has been heretofore, during the previous year before the passage of this Act, or who shall hereafter so fail, shall be credited as having passed in such branches as he has or shall have been found proficient in, and he shall not be again examined in said subjects.

Sec. 47. That every license to practice medicine and surgery, issued pursuant to the provisions of this Act, shall be subscribed by the president and secretary of the board before whom the applicant has passed. It shall also have affixed to it by the person authorized to affix the same, the seal of said Medical and Chirurgical Faculty of Maryland, or of the Maryland State Homoeopathic Medical Society, as the license may require, every such license to be in the following form and to the following effect:

To all whom it may concern, greeting:

Be it known that.....on the.....day of....., A. D.....having offered to us satisfactory proof that.....was more than twenty-one years of age, and had received a proper preliminary education; we, therefore, gave a written order for the examination of said .....before one of the boards of medical examiners of the State of Maryland; that the said.....was fully examined before the said board and found proficient and qualified to practice medicine and surgery in the State of Maryland as a physician and surgeon, and have caused the names of the president and secretary of our board to be subscribed and the seal of our society to be affixed hereto.

Witness our hand, and seal of our society, this.....day of....., A. D. President, ...; ..... Secretary.

(Seal of Society) (1894.)

Sec. 48. Any person receiving a license from either of said boards shall file the same at once with the clerk of the Circuit Court of the county in which he or she may reside, or with the Clerk of the Superior Court of Baltimore City, if said person shall reside therein, and it shall be the duty of said clerk to register the name of said person and of the president of the board signing said license in a book kept for the purpose, as a part of the records of his office; and the number of the book and the page therein containing said recorded copy shall be noted by said clerk upon the face of said license. In case said person should, after the recording of such license, permanently remove his or her residence to some other county of the State or to Baltimore City, he or she shall thereupon at once file said license, or certified copy thereof, for record as aforesaid, with the clerk of the Circuit Court of the county or city to which he or she shall have so removed; said records shall be open to public inspection under proper restrictions as to their safe keeping, and in all legal proceedings shall have the same weight as evidence that is given to the records of conveyances of land. The fee for such registration shall be fifty cents, to be paid by the person whose license is registered.

Sec. 49. Repealed.

Sec. 50. Any person to whom the provisions of this Act applies, practicing or attempting to practice medicine or surgery in this State, without first having obtained the license of one of said boards of medical examiners, shall be guilty of a misdemeanor, and shall pay a fine of not less than fifty dollars, nor more than two hundred dollars, for each offense, or in default of payment shall be confined in the city or county jail until the fines and costs are paid, and shall be debarred from recovering compensation for services rendered as such physician or surgeon. (1892.)

Sec. 51. Repealed.

Sec. 52. Said boards shall make a report to the Medical and Chirurgical Faculty of Maryland and the Maryland State Homoeopathic Medical Society, respectively, at each annual meeting of said respective societies.

Sec. 52a. And said boards shall upon request issue certificates of professional standing to physicians moving out of the State.

Sec. 53. From and after the first day of July, 1894, no person shall practice medicine or surgery in the State of Maryland unless he or she be duly registered as a physician or surgeon in accordance with the provisions of this Act. (1894.)

Sec. 54. Every person who was practicing medicine in the State of Maryland on or before the first day of June, 1892, shall be entitled to be registered as a physician or sur-

geon, or both, upon making application to the president of either Board of State Medical Examiners, which application shall be in writing, and verified by the oath of said applicant taken before any officer entitled to administer oaths under the laws of this State, and shall state that the applicant was a duly qualified lawful practitioner of medicine, in good standing, actually engaged in the practice of such profession in said State, on or before said first day of June, 1892. And upon receiving said application, and being satisfied of the truth of said statement therein contained, said president of such board shall issue or endorse his permit for such applicant to be registered, upon a copy of such application, which permit shall also be countersigned by the secretary of said board; and any president of such board, to whom such application is addressed, may in his discretion make inquiry, and examine witnesses under oath, or receive other evidence as to the truth of the statements contained in such application, for a permit to be registered; and if the president of either of such boards of medical examiners shall act upon such application, and shall refuse the same, then no president of the other of said boards shall entertain or act upon any application of such applicant for such permit. And upon the presentation of a permit to be registered, signed by the president, and countersigned by the secretary of either of said boards of medical examiners, to the clerk of the county where the applicant may reside, or to the Clerk of the Circuit Court of Baltimore City, if said applicant shall reside in Baltimore City, it shall be the duty of the said clerk to register such application and permit, and the name of such applicant as physician or surgeon, or both, in a book to be kept for such purpose, and a certified copy of such entry of registration under the seal of the court shall be legal evidence of such registration in all the courts of the State; provided, however, that the provisions of this Act shall not apply to those practicing medicine in the State of Maryland prior to June, 1892, and who registered as practitioners of medicine prior to July, 1894. (1896.)

Sec. 55. All persons who have commenced to practice medicine or surgery in the State of Maryland since the first day of June, 1892; or who shall hereafter commence to practice medicine or surgery in the State, shall not be entitled to be registered in the Registry of Physicians and Surgeons, as required by law, except upon filing with the Clerk of the Circuit Court of the county or city in which he or she shall reside, a license from one of the duly constituted boards of examiners of this State, in accordance with the terms of Sections 47 and 48 of this article, except that physicians and surgeons who have come into this State since the first day of June, 1892, or who shall hereafter come into the State to follow the practice of medicine and surgery, may receive a license, which shall entitle them to be registered as physicians and surgeons, in accordance with law, upon application to one of the duly constituted boards of medical examiners in accordance with the provisions of Sec. 56 of this Act. (1894.)

Sec. 56. Physicians and surgeons of good moral and professional standing who shall hereafter come into this State with intent to follow the practice of medicine and surgery within this State, being graduates of a medical college or university of good standing, or having a certificate or license from a board of medical examiners of any State where the requirements for practice are equal to those required by the board named in this article, may make aplication to the president of either board of medical examiners of this State, which application shall be made under oath and shall state when and how long said applicant has been engaged in the practice of medicine and surgery and from what medical college, university or other institution of learning he or she graduated. And, thereupon, the board of medical examiners shall have the authority and discretion to require applicants to undergo an examination, in accordance with the provisions of Sections 41 to 47, inclusive, of this article, or may require said applicant to submit to a special examination, the terms and methods of which shall be prescribed by the board of medical examiners, and upon paying the fee for examination, as set out in Section 45 of this article. After the examination and determination of said board, thereupon, that said applicant is qualified to practice medicine and surgery, and that he is entitled to a license, a license shall be issued to him to the same effect as the form of license set out in Section 47 of this article, which license shall be filed and recorded as provided by Section 47 of this article, and it shall then be the duty of the clerk of the court to register the name of the person so licensed as physician or surgeon, or both, in accordance with the provisions of this Act. (1896.)

Sec. 57. All persons whose licenses have been heretofore filed and recorded in accordance with Sec. 48 of this article, shall be held to be duly registered physicians and surgeons within the provisions of Sec. 53 of this article, and all persons who shall hereafter receive and file licenses to be recorded in accordance with said Sec. 48, shall be registered as physicians and surgeons under said section, and the fee to be paid for such registration and the registration of the application to the clerk, or the license therewith, as the case may require, shall be one dollar. (1894.)

Sec. 58. If any person shall unlawfully obtain and procure himself to be registered as a physician or surgeon, either by false and untrue statement contained in his application to the clerk of the court, as required by this Act, or by presenting to said clerk a false or untrue license, or are fraudulently obtained by false and fraudulent statements made to one of said Boards of Medical Examiners, he or she shall be declared guilty of a misdemeanor and shall be fined not less than fifty dollars, nor more than five hundred dollars, and shall forfeit all rights and immunities obtained or conferred upon him by virtue of such registration, as physician or surgeon. (1894.)

Sec. 59. Any person who, after the first day of July, 1894, shall practice, or attempt to practice, medicine or surgery in this State, without being registered in accordance with the provisions of this Act, shall be guilty of a misdemeanor, and shall be fined not less than ten dollars nor more than two hundred dollars for each offense. (1894.)

Sec. 60. The provisions of this Act shall not apply to any midwife, or person who may render gratuitous services in cases of emergency. (1894.)

Sec. 61. Any person shall be regarded as practicing medicine within the meaning of this Act who shall operate on or prescribe for any ailment of another, or who shall append to his or her name the letters M. D., or prefix the word Doctor, or the abbrevia-

tion thereof, Dr., to his or her name, with the intent thereby to imply that he or she is a practitioner of medicine or surgery; but nothing herein contained shall be construed to apply to gratuitous services, nor to any resident or assistant resident physician or students at hospitals in the discharge of their hospital or dispensary duties, or in the office of physicians, or to any physician or surgeon from another State, Territory or District in which he resides when in actual consultation with a legal practitioner of this State; or to commissioned surgeons of the United States Army or Navy or Marine Hospital service, or to chiropodists, or to midwives, or to masseurs or other manual manipulators who use no other means; nor shall the provisions of this Article apply to physicians or surgeons residing on the border of a neighboring State, and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends into the limits of this State; provided, that such practitioners shall not open an office or appoint places to meet their patients or receive calls within the limits of this State without complying with the provisions of this Act; provided, that the same privileges be accorded to licensed physicians of this State; provided, further, that nothing in this Act shall annul any of the Acts of the present dental law of the State of Maryland, nor shall apply to any registered graduate of dental surgery now practicing in the said State of Maryland, with the sign titles: Dentist, Surgeon Dentist, Dental Surgeon or Stomatologist.

Sec. 61a. It shall be the duty of the Police Commissioners of Baltimore City, and of the sheriffs of each county in the State, to see that all practicing physicians in the State shall be legally registered according to the provisions of this Article, and to report to the State's Attorney of the city or county all cases of the violation of the provisions of this Article.

Sec. 62. Repealed.

Sec. 63. It shall be the duty of the secretary of either or both of said State Boards of Medical Examiners to inquire into all violations of law under this article, and to institute all proceedings or prosecutions thereof, and all expenses incurred by any secretary of either of such boards hereunder shall be allowed and paid out of the funds acquired by or belonging to said boards respectively. (1896.)

Sec. 64. The said board of medical examiners shall have full control over the expenditures and disposition of the funds collected from the fees and charges authorized to be made under the terms of this article, and shall fix and allow such compensation as they may deem proper for service rendered in the performance of the duties required by this article by members of said board or others, with the full power also to allow and discharge all proper expenses of said board, and any surplus to dispose of as said board may deem for the advantage of the practice of medicine in this State. (1896.)

Sec. 64a. Any person practicing or attempting to practice medicine under the name of any other person, whether that person be a resident of this State or not, or whether he or she be deceased or not, or any person acting under the name of and as agent of any other person, in the capacity of a practitioner of medicine or surgery, shall be guilty of a misdemeanor, and upon conviction by any Court having criminal jurisdiction shall be punished by imprisonment in the city or county jail for not less than thirty days nor more than one year, or by a fine of not less than twenty dollars nor more than five hundred dollars, or both, in the discretion of the Court, for each offense.

Sec. 65. Either Board of Medical Examiners of this State may, by a vote of five members, revoke any license which it has issued, and may cause the name of any physician licensed by said board to be removed from the register of the licentiates of the city or county where it may be recorded, for any of the following causes, to-wit.: The use of fraud or deception in passing the examination provided in this article, habitual drunkenness, criminal abortion, conviction of crime involving moral turpitude or unprofessional or dishonorable conduct. Before proceeding to revoke any such license, the person against whom complaint is made shall be furnished with a copy of the complaint and charges made against him, and shall be given an opportunity for a hearing before the board, in person or by attorney, and at such hearing testimony may be offered for and against the accused. The action of the board shall be reduced to writing, stating also the reasons for such action, and a copy thereof shall be delivered or mailed to the person against whom complaint is made; within sixty days after said notice of revocation of the license shall have been delivered or mailed to any person, said party shall have the right of appeal to the Circuit Court of the city or county wherein he may reside, the judge or judges of which said Court shall fully hear and determine all matters connected with the action of said board from which appeal is taken, and the decision of said Court shall be final; should no such appeal be taken within sixty days, or should said appeal result in the affirmation of the action of said board, the Clerk of the Circuit Court or Courts where said license so revoked shall have been recorded shall, upon due notice from the secretary-treasurer of said board, strike off the name of said party from the list of licensed practitioners recorded upon such register. At any time within two years from the revocation of any license, the board revoking same may, by a vote of five members, issue without examination a new license to the person whose license was so revoked; but after the expiration of two years such person can obtain a new license only by compliance with the same requirements which are imposed on other applicants for licenses under this article.

Sec. 2. And be it further enacted, That this Act shall take effect from the date of its passage.

Approved April 11, 1902.

CAPITAL, BOSTON.

Population of State, 2,805,346.
(U. S. Census of 1900.)
Number of Physicians, 5,434.

The State of Massachusetts, which was included in the original thirteen, extends from 41 degrees 15 minutes to 42 degrees 55 minutes north latitude and from 69 degrees 56 minutes to 73 degrees 31 minutes west longitude, and comprises an area of 7,800 square miles, or 4,992,000 acres. It is bounded on the north by Vermont and New Hampshire, on the east by the Atlantic Ocean, on the south by Rhode Island and Connecticut, and on the west by the State of New York.

The climate is cool and salubrious, the winters being severe and long and the summers warm but short. The mean annual temperature as observed at New Bedford during a period of 58 years is 48.56 degrees, that of the summer 66.95 degrees, and of the winter 30.21 degrees. The average annual rainfall is about 45 inches.

The following table shows increase in population for 70 years:

THE LAW RELATING TO THE REGISTRATION OF PHYSICIANS.

(Revised Laws, January 1, 1902.)

Section 1. There shall be a board of registration in medicine consisting of seven persons, residents of this commonwealth, who shall be graduates of a legally chartered medical college or university having the power to confer degrees in medicine, and who shall have been for ten years actively employed in the practice of their profession. No member of said board shall belong to the faculty of any medical college or university, and no more than three members thereof shall at one time be members of any one chartered

state medical society. One member thereof shall annually in June be appointed by the governor, with the advice and consent of the council, for a term of seven years from the first day of July following.

Section 2. Said board shall hold regular meetings on the second Tuesday of March, July and November in each year, and additional meetings at such times and places as it may determine. At the regular meeting in July, it shall organize by the choice of a chairman and secretary who shall hold their offices for the term of one year. The secretary shall give a bond to the treasurer and receiver general in the penal sum of five thousand dollars, with sufficient sureties to be approved by the governor and council, for the faithful performance of his official duties.

Section 3. Applications for registration shall be made upon blanks to be furnished by the board, and shall be signed and sworn to by the applicants. Each applicant for registration shall furnish satisfactory proof that he is twenty-one years of age or over and of good moral character and upon payment of a fee of twenty dollars, shall be examined by said board. If he be found by four or more members thereof to be 21 years of age or over, and of good moral character, and qualified, he shall be registered as a qualified physician and shall receive a certificate thereof signed by the chairman and secretary. An applicant who fails to pass an examination satisfactory to the board, and therefore refused registration, shall be entitled within one year after such refusal to a re-examination at a meeting of the board called for the examination of applicants, without the payment of an additional fee; but two such re-examinations shall exhaust his privilege under his original application. Said board, after hearing, may by unanimous vote revoke any certificate issued by it and cancel the registration of any physician who has been convicted of a felony or of any crime in the practice of his profession. All fees received by the board shall, once a month, be paid by its secretary into the treasury of the Commonwealth.

Section 4. Each member of the board shall receive ten dollars for every day actually spent in the performance of his duties, and the necessary traveling expenses actually expended in attending the meetings of the board, not exceeding three cents a mile each way. Such compensation and the incidental and traveling expenses shall be approved by the board and paid by the Commonwealth only from the fees paid over by the board.

Section 5. The board shall keep a record of the names of all persons registered hereunder, and of all money received and disbursed by it, and a duplicate thereof shall be open to inspection in the office of the secretary of the commonwealth. Said board shall annually, on or before the first day of January, make a report to the governor of the condition of medicine and surgery in this commonwealth, of all its official acts during the preceding year and of its receipts and disbursements.

Section 6. The board shall investigate all complaints of the violation of the provisions of section eight, and report the same to the proper prosecuting officers.

Section 7. Examinations shall be wholly or in part in writing in the English language, and shall be of a scientific and practical character. They shall include the subjects of anatomy, surgery, physiology, pathology, obstetrics, gynecology, practice of medicine and hygiene, and shall be sufficiently thorough to test the applicant's fitness to practice medicine.

Section 8. Whoever, not being lawfully authorized to practice medicine within this Commonwealth and registered as aforesaid, holds himself out as a practitioner of medicine, or practices or attempts to practice medicine in any of its branches, or whoever practices medicine or surgery under a false or assumed name, or under a name other than that by which he is registered, or whoever personates another practitioner of a like or different name, shall, for each offense, be punished by a fine of not less than one hundred nor more than five hundred dollars, or by imprisonment for three months, or by both such fine and imprisonment. In a case in which a provision of this or the preceding section has been violated, the person who committed the violation shall not recover compensation for services rendered.

Section 9. The provisions of the eight preceding sections shall not be held to discriminate against any particular school or system of medicine, to prohibit medical or surgical service in a case of emergency, or to prohibit the domestic administration of family remedies. They shall not apply to a commissioned medical officer of the United States army, navy or marine hospital service in the performance of his official duty; to a physician or surgeon from another state who is a legal practitioner in the state in which he resides, when in actual consultation with a legal practioner of this commonwealth; to a physician or surgeon resiging in another state and legally qualified to practice therein, whose general practice extends into the border towns of this Commonwealth, if such physician does not open an office or designate a place in such towns where he may meet patients or receive calls; to a physician authorized to practice medicine in another state, when he is called as the family physician to attend a person temporarily abiding in this commonwealth; nor to registered pharmacists in prescribing gratuitously, osteopathists, pharmacists, clairvoyants, or persons practicing hypnotism, magnetic healing, mind cure, massage, Christian science or cosmopathic method of healing, if they do not violate any of the provisions of section eight.

Union General Hospital

158 Springfield Street,

BOSTON, · MASS.

Centrally located in the heart of Boston, facing one of the beautiful parks of the city. An institution practically home-like, in which the patients have all the comforts without the annoyances of a public hospital.

Daily visits from friends are permitted, also the attendance of the physician or surgeon of their choice. **All physicians are on equal terms,** and can admit suitable patients on application. All cases are accepted, excluding only contagious diseases and the insane.

There is a special lying-in department, and the hospital is thoroughly equipped for emergent cases. At present we can accommodate over seventy patients.

Correspondence solicited from the medical profession, and it is earnestly desired that they will acquaint themselves with our advantages by personal inspection.

FRANK L. BURT, M. D., Surgeon in Charge

HERBERT HALL, *WORCESTER, ...MASS....*

A Home for the Care and Treatment of Women Afflicted with

MENTAL DISEASE

The object sought is to afford a quiet, comfortable and homelike place for the Care and Treatment of a class of female patients suffering with Mental and Nervous disorders, who are not proper subjects for confinement in public asylums.

The Home has all modern sanitary conveniences for health and comfort, and is located upon high land near the center of pleasant spacious park.

Herbert Hall is situated upon Salisbury Street, near Institute Park, and about half a mile from Lincoln Square, upon line of street railway.

MICHIGAN.

CAPITAL, LANSING.

Population of State, 2,530,016.

(State Census of 1904.)

Number of Physicians, 4,651

Michigan, originally a portion of the famous "Northwest Territory," was admitted into the Federal Union January 26, 1837. It is located on the British-American frontier and is separated from the Dominion of Canada by Lakes Superior, Huron and St. Clair, and their connecting straits. It extends, approximately, from latitude 41.7 degrees to 47.48 degrees, and from longitude 82.41 degrees to 90.54 degrees, and covers an area of 56,451 square miles. It is divided into two parts—the Lower and Upper Peninsulas—which are separated by the Straits of Mackinac and contiguous waters. Although united politically these two divisions are thus disjointed geographically, and they also differ widely in physical characteristics and resources. The Lower Peninsula is for the most part level and prairie like, or moderately rolling and excellently adapted to agriculture; while the Upper Peninsula is hilly and rugged and even mountainous, and is distinguished principally for its abundant mineral resources. The Lower Peninsula is bounded on the east by Lake Huron, the St. Clair river, Lake St. Clair, the Detroit river and Lake Erie, on the west and northwest by Lake Michigan, on the northeast by Lake Huron, and on the south by Indiana and Ohio. It is 277 miles long from north to south, and its greatest width is 259 miles. It has an area of 33,871 square miles, or 21,677,184 acres. The Upper Peninsula is 318 miles long, east and west; and its greatest breadth is 165 miles; with an area of 22,580 square miles, or 14,451,456 acres. It is bounded on the north by Lake Superior, on the south by Lakes Michigan and Huron, on the southwest by the State of Wisconsin, and on the east by the St. Mary's river. These great waters give the State a shore line of 1,620 miles, and being at the head of lake navigation, where the products of the west aim to reach water transportation to the seaboard, they have contributed immensely to the State's commercial prominence and prosperity.

The climate is mild, but the temperature varies considerably, the mean annual temperature as observed at Fort Mackinac being 41.02 degrees and at Detroit 47.25 degrees. The average annual rainfall varies from 23 inches at Mackinac to 30 at Detroit.

The following table shows increase of population (U. S. Census) since 1810:

1810	4,762	1860	749,113
1820	8,765	1870	1,184,059
1830	31,639	1880	1,636,937
1840	212,267	1890	2,093,889
1850	397,654	1900	2,420,982

MEDICAL LAWS OF MICHIGAN.

THE CHANDLER MEDICAL ACT, 1899.

No. 237.

An act to provide for the examination, regulation, licensing and registration of physicians and surgeons, and for the punishment of offenders against this act, and to repeal acts and parts of acts in conflict therewith.

The People of the State of Michigan enact:

Section 1. That the Governor shall appoint, by and with the advice and consent of the Senate, ten resident electors of the State, who shall constitute a Board of Registration in Medicine. Not more than five of the persons so appointed shall be from the school of medicine know as Regular; not more than two of the persons so appointed shall be from the school of medicine known as Homeopathic; not more than two of the persons so appointed shall be from the school of medicine known as Eclectic; and not more than one of the persons so appointed shall be from the school of medicine known as Physio-Medical, and the appointees may be chosen from lists submitted to the Governor biennially by each of the four legally incorporated State medical societies of the schools of medicine, as herein mentioned aforesaid, such lists to be certified to under oath of the president or secretary of each society respectively, and filed by them in the office of the Secretary of State at Lansing on or before the 15th day of September of the present year, and on or before the first day of March in each succeeding biennial period. Such lists to contain at least treble the number of names as each society has representatives on the board. But in the event that one or more of the societies above named, through their presidents or secretaries, shall, from any cause, neglect, omit or refuse to file as aforesaid such list or lists, then and in that case the Governor shall appoint or fill the vacancies in said board without reference to such list or lists which the aforesaid society or societies have for any cause neglected, omitted or refused to file with the Secretary of State, as herein mentioned aforesaid; but the number of representatives from each of the schools of medicine shall be the same as provided for in this act. All persons so appointed shall be learned in the profession of medicine, shall be graduates of recognized and reputable medical colleges, and shall have been actively engaged in the practice of medicine for at least six years immediately pre-

ceding the time of such appointment. The ten persons so appointed shall be appointed in two classes, each class to consist of five persons. The first class shall be appointed to hold office for two years, the second class for four years, beginning with the 1st day of October of the present year and until their successors are appointed; and thereafter the Governor shall appoint before the first day of October of each biennial period, five persons qualified as aforesaid, in each class, to hold office for four years from the 1st day of October next ensuing. No member of said board shall belong to the faculty of any medical college or university, or shall be financially interested in the manufacture of drugs or the practice of pharmacy. The Governor shall also fill vacancies occasioned by death or otherwise, and may remove any member for the continued neglect of duties required by this act. Vacancies in said board shall be filled in accordance with the provisions of this act for the establishment of the original board, and a person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he fills. The business of this board shall be transacted by and receive the concurrent vote from at least seven members.

Sec. 2. The members of said board shall meet on the second Tuesday of October, eighteen hundred ninety-nine, at the State Capitol at Lansing, and shall then elect a president from their own number, and a secretary who need not be of their number, but each of whom shall hold their respective offices for two years, and shall have the power to administer oaths. Not less than seven members shall constitute a quorum of said board for transaction of business. The secretary shall give to the treasurer of the State a bond in the penal sum of five thousand dollars, with sufficient sureties, to be approved by the Governor, for the faithful discharge of his duties. The said board shall hold two regular meetings in each year, beginning with the year eighteen hundred ninety-nine; one on the second Tuesday of October, eighteen hundred ninety-nine, and one on the second Tuesday of June, nineteen hundred, and so on, and such additional meetings at such times and places as it may determine.

Sec. 3. On and after the second Tuesday of October, eighteen hundred ninety-nine, all men and women engaged in the practice of medicine and surgery in any of its branches, and all who wish to begin the same in the State, except as hereinafter provided, shall make application to said board to be registered and for a certificate of such registration. This registration and certificate shall be granted to such applicants as shall give satisfactory proofs of being twenty-one years of age and of good moral character, but only upon compliance with at least one of the following conditions:

1. The applicant shall be registered and given a certificate of registration if he shall present sufficient proof within six months after the passage of this act of his having already been legally registered under act number one hundred sixty-seven of eighteen hundred eighty-three, as amended in eighteen hundred eighty-seven, entitled "An act to promote public health." The fee for applicants of this class shall be one dollar.

2. The applicant shall be registered and given a certificate of registration if he shall present a certified copy or certificate of registration or license which has been issued to said applicant in any foreign nation where the requirements for registration shall be deemed by said board to be equivalent to those of this act: Provided, Such country shall accord a like privilege to holders of certificates from this board. The fee for registration from applicants of this class shall be twenty-five dollars.

3. The applicant shall be registered and given a certificate of registration if he shall satisfactorily pass an examination before the board upon the following subjects: Anatomy, physiology, chemistry, pathology, therapeutics, toxicology, histology, hygiene, public health laws of Michigan, practice of medicine, surgery, obstetrics, gynecology, diseases of the eye and ear, bacteriology and medical jurisprudence; said examination to be conducted as follows:

(a) The applicant shall pay a fee of ten dollars prior to examination.

(b) The examination shall be in writing, oral, or both.

(c) The questions on all subjects, except in therapeutics and practice of medicine, shall be such as may be answered alike by all schools of medicine.

(d) The applicant shall, if possible, be examined in therapeutics and practice of medicine by those members of the board belonging to the same school as the applicant; and no applicant shall be rejected because of his adherence to any particular system of medicine.

(e) An average percentage of at least seventy-five per cent of correct answers shall be required from every candidate. No additional fee shall be charged by this board for the registration of those who successfully pass such an examination.

4. The applicant shall be registered and given a certificate of registration if he shall present a certified copy or certificate of registration or license which has been issued to said applicant in another state of the Union where the requirements for registration shall be deemed by said board to be equivalent to those of this act: Provided, Such state shall accord a like privilege to holders of certificates from this board. The fee for registration from applicants of this class shall be ten dollars.

5. The applicant shall be registered and given a certificate of registration, if he shall have a diploma from any legally incorporated, regularly established and reputable college of medicine in this State, having at least a three years' course of eight months in each year, or a course of four years of six months in each year, or within the United States, except as heretofore provided, as shall be approved and designated by the Board of Registration, upon payment of ten dollars, and upon complying with all other requirements of this act, such certificate conferring upon the holders of such diploma all the rights and privileges conferred by this act, without examination.

6. The Board of Registration shall not register any person by reason of a diploma from any college which sells, or advertises to sell diplomas "without attendance," nor from any other than a regularly established and reputable college.

Sec. 4. The person receiving a certificate of registration shall file the same, or a certified copy thereof, with the county clerk in the county where he resides, and

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in PHILADELPHIA.)

said clerk shall file said certificate or the certified copy thereof, and enter a proper memorandum thereof in a book to be provided and kept for that purpose, and may collect therefor a fee of fifty cents for each certificate or copy thus filed. And said county clerk shall, on the first day of each month, furnish to the secretary of said board a list of all certificates filed in his office during the preceding month on a blank provided for that purpose, and upon notice to him of the change of location or death of a person granted a certificate, or upon the revocation of the certificate granted such person, said county clerk shall enter at the appropriate places in the record so kept by him a memorandum of said facts; so that the record so kept by said county clerk shall correspond with the records of said board, so kept by the secretary thereof. In case a person having thus filed a certificate shall move into another county of the State, he shall procure from said county clerk a certified copy of said certificate, and file the same with the said county clerk of the county to which he shall so remove. Said county clerk shall file and enter the same with like effect, as if the same was the original certificate.

Sec. 5. All moneys received by said board shall be paid to the State Treasurer monthly, and shall be credited to the general fund of the State, and a receipt for the same shall be filed by the secretary of the said board in the office of the Auditor General. The incidental and traveling expenses of said board, and such salary to the secretary as said board may fix, shall be paid from such fund only. The members of said board, except the secretary, shall receive no compensation for their services, except necessary traveling and hotel expenses in attending meetings of said board; and in no case shall any more be paid than was actually expended. Such incidental and traveling expenses shall be approved by said board and sent to the Auditor General of the State, who shall draw his warrant upon the State Treasurer for the amounts due, as in case of other bills and accounts under the provisions of law: Provided, That the amount so paid shall not exceed the amount received by the treasurer of the State from said board in fees, as herein specified, and as much of said receipts as may be necessary is hereby appropriated for the compensation and expenses of said board as aforesaid.

Sec. 6. Said board shall collect from the various county clerks of the State, each month, a report of all registrations made. Said board shall also keep record of all moneys received and disbursed by it each month, and said record shall always be open to inspection at the office of the Secretary of State. Said board shall annually report to the Governor, on or before the first day of January of each year, the condition of medicine and surgery in this State, which report shall contain full and complete record of all its official acts during the year, and shall also contain a statement of its receipts and disbursements.

Sec. 7. Any person who shall practice medicine or surgery in this State, without first complying with the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than one hundred dollars, or by imprisonment in the county jail for a period of not more than ninety days, or by both such fine and imprisonment, for each offense. It shall be the duty of the respective prosecuting attorneys of the counties of this State to prosecute violations of the provisions of this act, upon information furnished by the records of the county clerk, or a member or members of said registration board, or by any other person entitled to credit.

Sec. 8. This act shall not apply to the commissioned surgeons of the United States army, navy or marine hospital service, in actual performance of their official duties, nor to regularly licensed physicians or surgeons from out of this State, in actual consultation with physicians of this State, nor to dentists in the legitimate practice of their profession, nor to temporary assistants in cases of emergency, nor to the domestic administration of family medicines, nor any legally qualified osteopath engaged in the practice of osteopathy under the provision of act number seventy-eight of the public acts of the State of Michigan of eighteen hundred ninety-seven, regulating and licensing the practice of osteopathy in the State of Michigan.

Sec. 9. When any person shall append the letters M. B. or M. D. or prefix the title "Dr." or Doctor or any other sign or appellation in a medical sense to his name, it shall be prima facie evidence of practicing medicine and surgery within the meaning of this act.

Sec. 10. It shall be the duty of the assessing officer at the time of making the annual assessment to make out a list of physicians residing within his township, village, district, ward or city, with the name, age and sex of each, and the length of time each has been engaged in practice. Such list shall be returned by the assessing officer to the county clerk, and by the clerk recorded in a book in which are kept the records of the board, and annually on or before the 1st day of January such clerk shall furnish certified lists of the same to the secretary of this board.

Sec. 11. An act entitled 'An act to promote public health," approved June 6, eighteen hundred eighty-three, and the act amendatory thereto, approved June 27, eighteen hundred eighty-seven, except as to all penalties which shall have accrued thereunder, are hereby repealed.

Approved June 13, 1899.

NOTTINGHAM MEDICAL ACT.

Act No. 353, Laws of 1903. Amending Act 237, Laws of 1899.

An act to amend sections one, three and seven of act number two hundred and thirty-seven of the public acts of eighteen hundred and ninety-nine, entitled "An act to provide for the examination, regulation, licensing and registration of physicians and surgeons, and for the punishment of offenders against this act, and to repeal acts and parts of acts in conflict therewith."

The People of the State of Michigan enact:

Section 1. Section 1. The Governor shall appoint, by and with the advice and consent of the Senate, ten resident electors of the State, who shall constitute a Board of Registration in Medicine. Not more than five of the persons so appointed shall be from the school of medicine known as the Regular; not more than two of the persons so appointed shall be from the school of medicine known as Homeopathic; not more than two of the persons so appointed shall be from the school of medicine known as the Eclectic; and not more than one of the persons so appointed shall be from the school of medicine known as Physio-medical, and the Governor may select such appointees from the latest lists filed in the office of the Secretary of State at Lansing by each of the four legally incorporated State medical societies of the schools of medicine as herein mentioned aforesaid, such lists to be certified to under oath of the president and secretary of each society respectively, and such lists to contain at least treble the number of names as each society has representatives on the board. But in the event that one or more of the societies above named, through their presidents or secretaries, shall from any cause neglect, omit or refuse to file as aforesaid, such lists or list, then and in that case the Governor shall appoint or fill the vacancies in said board without reference to such list or lists which the aforesaid society or societies have for any cause neglected, omitted or refused to file with the Secretary of State, as herein mentioned aforesaid; but the number of representatives from each of the schools of medicine shall be the same as provided for in this act. All persons so appointed shall be legally registered physicians of this State, shall be graduates in good standing of reputable medical colleges, and shall have been actively engaged in the practice of medicine in this State for at least six years immediately preceding the time of such appointment. The ten persons so appointed shall be appointed in two classes, each class to consist of five persons. The first class shall consist of those physicians appointed by the Governor under act number two hundred thirty-seven, laws of eighteen hundred ninety-nine, October first, A. D. nineteen hundred one, who shall serve during the time for which they were so appointed, namely: To October first, nineteen hundred five; and the second class shall be appointed to hold office for four years beginning with the first day of October of the present year, and both classes shall hold office until their successors are appointed; and thereafter the Governor shall appoint, before the first day of October of each biennial period, five persons qualified as aforesaid, in each class, to hold office for four years from the first day of October next ensuing. No member of said board shall belong to the faculty of any medical college or university. The Governor shall also fill vacancies occasioned by death or otherwise, and may remove any member for the continued neglect of duties required by this act. Vacancies in said board shall be filled in accordance with the provisions of this act for the establishment of the original board, and a person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he fills. The business of said board shall be transacted by and receive the concurrent vote from at least seven members.

Section 3. On and after the date of the passage of this act, all men and women who wish to begin the practice of medicine and surgery in any of its branches in this State, shall make application to the State Board of Registration in Medicine, to be registered and for a certificate of registration. This registration and certificate shall be granted to such applicants as shall give satisfactory proofs of being twenty-one years of age and of good moral character, but only upon compliance with at least one of the following conditions contained in subdivisions one, two and three of this section:

First, That applicant shall be registered and given a certificate of registration if he shall satisfactorily pass an examination before the board upon the following subjects: Anatomy, physiology, chemistry, pathology, materia medica and therapeutics, toxicology, histology, practice of medicine, surgery, obstetrics, gynæcology, mental and nervous diseases, diseases of the eye, ear, nose and throat, bacteriology, hygiene, public health laws of Michigan and medical jurisprudence; said examination to be conducted as follows:

(a) The applicant shall pay a fee of twenty-five dollars prior to examination: Provided, That the examination fee for graduates of any medical school in the State of Michigan, approved by said board, shall be the sum of ten dollars.

(b) The examination shall be in writing, oral, or both.

(c) The questions on all subjects, except in materia medica and therapeutics and practice of medicine, shall be such as may be answered alike by all schools of medicine.

(d) The applicant shall, if possible, be examined in materia medica and therapeutics and practice of medicine by those members of the board or by a qualified examiner appointed by the board, belonging to the same school as the applicant, and no applicant shall be rejected because of his adherence to any particular system of practice.

(e) An average percentage of at least seventy-five per cent of correct answers shall be required from every candidate. No additional fee shall be charged by this board for the registration of those who successfully pass such examination: Provided, however, That such applicant for examination shall have a diploma from a legally incorporated, regularly established and reputable college of medicine within the states, territories, districts and provinces of the United States, or within any foreign nation (provided such foreign nation accord a like privilege to graduates of approved medical colleges of this State) having at least a four years' course of seven months in each calendar year, as shall be approved and designated by the Board of Registration in Medicine: Also Provided, That such applicant shall have, previous to the beginning of his course in medicine, a diploma from a recognized and reputable high school, academy, college or university, having a classical course, or shall pass an examination equivalent at least to the minimum standard of pre-

liminary education adopted and published by the board before examiners appointed by and in accordance with the regulations of aforesaid board, and at such time and place as the board may designate: Provided, A student entering a college in Michigan, having a preliminary examination of a standard approved by the Board of Registration in Medicine, shall not be required to take this examination: Provided, That this requirement of preliminary education shall not apply to those students who, on the date of the passage of this act, were regularly registered as students of legally organized and reputable medical colleges approved of by said board: And provided, also, That the requirement of medical education shall not apply to those graduates of legally organized and reputable medical colleges approved of by said board who had graduated from such colleges, previous to the date of the passage of this act; and students complying with the other provisions of this section who on January first of the present year were regularly registered as students of legally organized and reputable medical colleges of this state, approved of by said board, may obtain a certificate of registration as graduates of such colleges and without examination by the board upon payment of a fee of ten dollars. The Board of Registration in Medicine shall, from time to time, adopt and publish a minimum standard of medical education, and no medical college shall be approved and designated by said board under this subdivision one, of section three, unless, in the judgment of the board, it conforms with such standard.

Second, The applicant shall be registered and given a certificate of registration if he shall present a certified copy or certificate of registration or license which has been issued to said applicant in any foreign nation where the requirements of registration shall be deemed by said Board of Registration in Medicine to be equivalent to those of this act: Provided, Such country shall accord a like privilege to holders of certificates from this board. The fee for registration from applicants of this class shall be twenty-five dollars.

Third, The applicant shall be registered and given a certificate of registration if he shall present a certified copy of certificate of registration or license which has been issued to said applicant within the states, territories, districts or provinces of the United States where the requirements for registration shall be deemed by the Board of Registration in Medicine to be equivalent to those of this act, and shall otherwise conform to the rules and regulations agreed upon between the State Board of which he is a licentiate and said board relative to the recognition and exchange of certificates between states: Provided, Such states shall accord a like privilege to holders of certificates from this board. The fee for registration from applicants of this class shall be twenty-five dollars.

Fourth, If any person shall unlawfully obtain and procure himself to be registered under this section, either by false and untrue statements contained in his application to the Board of Registration in Medicine, or by presenting to said board a false or untrue diploma or license, or one fraudulently obtained, he shall be deemed guilty of a felony, and on conviction thereof shall be punished by a fine of not less than three hundred dollars nor more than five hundred dollars, or imprisonment at hard labor for not less than one year, nor more than three years, or both, at the discretion of the court, and shall forfeit all rights and privileges obtained or conferred upon him by virtue of such registration as a physician or surgeon.

Fifth, Any person who shall swear falsely in any affidavit or oral testimony made or given by virtue of the provisions of this act, or the regulations of the Board of Registration in Medicine, shall be deemed guilty of perjury, and upon conviction thereof shall be subject to all the pains and penalties of perjury.

Sixth, The Board of Registration in Medicine shall refuse to issue a certificate of registration provided for in this section to any person guilty of grossly unprofessional and dishonest conduct of a character likely to deceive the public, and said board shall, after due notice and hearing, revoke a certificate issued subsequent to the date of the passage of this act, or subsequent to the date of the passage of act number two hundred thirty-seven of the public acts of eighteen hundred ninety-nine, for like cause or for offenses involving moral turpitude, habitual intemperance, the drug habit, or for fraud or perjury in connection with obtaining of a certificate of registration, or for a certificate obtained or issued through error, when such offenses shall have been legally established in a court of competent jurisdiction: And, provided further, After the passage of this act, the board may at its discretion revoke the certificate of registration, after due notice and hearing of any registered practitioner who inserts any advertisement in any newspaper, pamphlet, circular, or other written or printed paper, relative to venereal diseases or other matter of any obscene or offensive nature derogatory to good morals.

Section 7. Any person who shall practice medicine or surgery in this State without first complying with the provisions of this act, or any person who shall violate its provisions (except as heretofore provided in section three of this act), shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than one hundred dollars, or by imprisonment in the county jail for a period of not more than ninety days, or by both such fine and imprisonment, for each offense. It shall be the duty of the prosecuting attorneys of the counties of this State to prosecute violations of the provisions of this act.

ACT PROVIDING FOR PRIMARY EXAMINATIONS.

Act No. 56, Public Acts of 1905.

Section 1. All students of medicine and surgery, attending any legally organized and reputable medical college or university, as shall be approved of by the Board of Registration in Medicine of this State, such students being endorsed by said board as having fulfilled the legal requirements of this State for entrance to, or matriculation in, recognized medical colleges, and who shall have completed in accordance with the board's adopted and published minimum standard of medical education, in such approved medical college or university, through attendance and examination, and not prior to the termination of the second year in such institution, such a pro-

portion of the whole course of subjects provided for under section three, subdivision first, act one hundred ninety-one, laws of nineteen hundred three, amending act two hundred thirty-seven, laws of eighteen hundred ninety-nine, entitled "An act to provide for the examination, regulation, licensing and registration of physicians and surgeons," et cetera, as shall be prescribed by said board, shall have the right to an examination by said board, hereinafter called the primary examination, upon all prescribed subjects as shall have been completed by aforesaid students, said examinations to be held at such times and places as designated by the board, and to receive from the board a certificate showing the fact of such primary examination having been taken, together with the credits received thereon in the several subjects upon which examination shall have been had as aforesaid, such credits obtained shall, at the election of the student, be included and shall form a part of the examination hereinafter called the final examination, provided for under section three, subdivision first, of above mentioned act: Provided, however, That said credits obtained shall be included in, and shall form a part of, the aforesaid final examination, in the event only that such credits shall be presented to said board within three years from and after the date of said primary examination: And Provided, That subsequent to graduation from a recognized medical college, in said final examination for a certificate of registration, the applicant shall, if presenting said credits to the board, be examined only in those subjects prescribed for under section three, subdivision first, of the above mentioned act, and which have not been prescribed and listed by the board as subjects of aforesaid primary examination.

Sec. 2. Any applicant applying to the Board of Registration in Medicine for the primary examination provided for under the provisions of this act, shall with the application present to said board satisfactory proof that such applicant is an actual, bona fide and legally registered student of medicine and surgery, in a legally organized and reputable medical college or university recognized as such by said board, and endorsed by the board as having fulfilled the legal requirements of matriculation in this State, and that said applicant has completed, by attendance and examination, and not prior to the termination of the second year in such recognized medical college or university, such a proportion of the whole course of subjects provided for under the general laws of the State as has been prescribed by said board. The applicant shall at the same time pay to the board, for the primary examination provided for, such uniform fee during each calendar year as shall be determined by the board as necessary to cover the expense incurred by such additional examinations, and which fee shall not exceed the sum of fifteen dollars for each applicant: Provided, The payment of this fee for said primary examination shall not relieve such applicant from the payment of the fee provided for in section three, subdivision first (a) of act one hundred ninety-one, laws of nineteen hundred three, amending act two hundred thirty-seven, laws of eighteen hundred ninety-nine.

HOUSE ENROLLED ACT NO. 301.

(Bill No. 613.)

An act to amend section three of act number two hundred thirty-seven of the public acts of eighteen hundred ninety-nine, entitled "An act to provide for the examination, regulation, licensing and registration of physicians and surgeons, and for the punishment of offenders against this act, and to repeal acts and parts of acts in conflict therewith," as amended by act number one hundred ninety-one of the public acts of nineteen hundred three.

The People of the State of Michigan enact:

Section 1. Section three of act number two hundred thirty-seven of the public acts of eighteen hundred ninety-nine entitled "An act to provide for the examination, regulation, licensing and registration of physicians and surgeons, and for the punishment of offenders against this act, and to repeal acts and parts of acts in conflict therewith," as amended by act number one hundred ninety-one of the public acts of nineteen hundred three, is hereby amended so as to read as follows:

Section 3. On and after the date of the passage of this act, all men and women who wish to begin the practice of medicine and surgery in any of its branches in this State, shall make application to the State Board of Registration in Medicine, to be registered and for a certificate of registration. This registration and certificate shall be granted to such applicants as shall give satisfactory proofs of being twenty-one years of age and of good moral character, but only upon compliance with at least one of the following conditions contained in subdivisions one, two and three of this section:

First, The applicant shall be registered and given a certificate of registration if he shall satisfactorily pass an examination before the board upon the following subjects: Anatomy, physiology, chemistry, pathology, materia medica and therapeutics, toxicology, histology, practice of medicine, surgery, obstetrics, gynæcology, mental and nervous diseases, diseases of the eye, ear, nose and throat, bacteriology, hygiene, public health laws of Michigan and medical jurisprudence; said examination to be conducted as follows:

(a) The applicant shall pay a fee of twenty-five dollars prior to examination: Provided, That the examination fee for graduates of any medical school in the State of Michigan approved by said board shall be the sum of ten dollars.

(b) The examination shall be in writing, oral or both.

(c) The questions on all subjects, except in materia medica and therapeutics and practice of medicine, shall be such as may be answered alike by all schools of medicine.

(d) The applicant shall, if possible, be examined in materia medica and therapeutics and practice of medicine by those members of the board or by a qualified examiner appointed by the board belonging to the same school as the applicant, and no applicant shall be rejected because of his adherence to any particular system of practice.

(e) An average percentage of at least seventy-five per cent of correct answers shall be required from every candidate. No additional fee shall be charged by this board for the registration of those who successfully pass such examination: Provided, however, That such applicant for examination shall have a diploma from a legally incorporated, regularly established and reputable college of medicine within the states, territories, districts and provinces of the United States or within any foreign nation (provided such foreign nation accord a like privilege to graduates of approved medical colleges of this State) having at least a four years' course of seven months in each calendar year, as shall be approved and designated by the Board of Registration in Medicine: Also Provided, That such applicant shall have, previous to the beginning of his course in medicine, a diploma from a recognized and reputable high school, academy, college or university, having a classical course, or shall pass an examination equivalent at least to the minimum standard of preliminary education adopted and published by the board before examiners appointed by and in accordance with the regulations of aforesaid board, and at such time and place as the board may designate: Provided, A student entering a college in Michigan, having a preliminary examination of a standard approved by the Board of Registration in Medicine shall not be required to take this examination: Provided, That this requirement of preliminary education shall not apply to those students who, on the date of the passage of this act, were regularly registered as students of legally organized and reputable medical colleges approved by said board: And Provided, also, That the requirement of medical education shall not apply to those graduates of legally organized and reputable medical colleges approved by said board who had graduated from such colleges, previous to the date of the passage of this act; and students complying with other provisions of this section, who on January first of the present year were regularly registered as students of legally organized and reputable medical colleges of this State, approved of by said board, may obtain a certificate of registration as graduates of such colleges and without examination by the board upon payment of a fee of ten dollars. The Board of Registration in Medicine shall, from time to time, adopt and publish a minimum standard of medical education, and no medical college shall be approved and designated by said board under this subdivision one, of section three, unless, in the judgment of the board, it conforms with such standard.

Second, The applicant shall be registered and given a certificate of registration if he shall present a certified copy or certificate of registration or license which has been issued to said applicant in any foreign nation where the requirements of registration shall be deemed by said Board of Registration in Medicine to be equivalent to those of this act: Provided, Such country shall accord a like privilege to holders of certificates from this board. The fee for registration from applicants of this class shall be twenty-five dollars.

Third, The applicant shall be registered and given a certificate of registration if he shall present a certified copy of certificate of registration or license which has been issued to said applicant within the states, territories, districts or provinces of the United States where the requirements for registration shall be deemed by the Board of Registration in Medicine to be equivalent to those of this act, and shall otherwise conform to the rules and regulations agreed upon between the State Board of which he is a licentiate and said board relative to the recognition and exchange of certificates between states: Provided, Such state shall accord a like privilege to holders of certificates from this board. The fee for registration from applicants of this class shall be twenty-five dollars.

Fourth, If any person shall unlawfully obtain and procure himself to be registered under this section, either by false and untrue statements contained in his application to the Board of Registration in Medicine, or by presenting to said board a false or untrue diploma or license, or one fraudulently obtained, he shall be deemed guilty of a felony, and on conviction thereof shall be punished by a fine not less than three hundred dollars nor more than five hundred dollars, or imprisonment at hard labor for not less than one year, nor more than three years, or both, at the discretion of the court, and shall forfeit all rights and privileges obtained or conferred upon him by virtue of such registration as a physician or surgeon.

Fifth, Any person who shall swear falsely in any affidavit or oral testimony made or given by virtue of the provisions of this act, or the regulations of the Board of Registration in Medicine, shall be deemed guilty of perjury, and upon conviction thereof shall be subject to all the pains and penalties of perjury.

Sixth, The Board of Registration in Medicine shall refuse to issue a certificate of registration provided for in this section to any person guilty of grossly unprofessional and dishonest conduct of a character likely to deceive the public, and said board shall, after due notice and hearing, revoke a certificate issued subsequent to the date of the passage of this act, or subsequent to the date of the passage of act number two hundred thirty-seven of the public acts of eighteen hundred ninety-nine, for like cause or for offenses involving moral turpitude, habitual intemperance, the drug habit, or for fraud or perjury in connection with obtaining of a certificate of registration, when such offenses shall have been legally established in a court of competent jurisdiction: Provided, further, After the passage of this act, the board may at its discretion, after due notice, revoke any certificate of registration obtained or issued through error or mistake, and may also revoke the certificate of registration, after due notice and hearing, of any registered practitioner who inserts any advertisement in any newspaper, pamphlet, circular or other written or printed paper, relative to venereal diseases or other matter of any obscene or offensive nature derogatory to good morals; or who for the purpose of procuring patients employs any solicitor, capper or drummer; or who shall subsidize any hotel or boarding house; or pay or present to any person money or other valuable gift for bringing patients to him.

MINNESOTA.

CAPITAL, ST. PAUL.

Population of State, 1,979,912.
(State Census of 1905.)
Number of Physicians, 2,141.

Minnesota derives its name from the river which was named "Minisota" by the Dakotas, pronounced "Min-nee-sotah," applied to the stream, in its natural state in the summer season, after the waters were cleared from the roiling caused by the spring floods. Mini, water; sotah, sky-colored. Apparently, to secure the correct pronunciation in English letters, the convention called at Stillwater, in 1848, for the purpose of procuring a territorial organization, instructed their delegates to see that the name of the Territory should be written Min-ne-so-ta.

Geographically, Minnesota occupies the exact center of the continent of North America, midway between the Atlantic and Pacific oceans, and also midway between Hudson Bay and the Gulf of Mexico. This State is bounded on the south by Iowa, on the west by South and North Dakota, on the north by Manitoba and Ontario, and on the east by Wisconsin. It extends from latitude 43 degrees 30 minutes to 49 degrees 24 minutes, and from 89 degrees 29 minutes to 97 degrees 15 minutes west longitude. From its southern boundary to the northern is about 400 miles, and from its most eastern to the extereme western point about 354 miles.

Minnesota is, in area, the tenth State of the Union. It contains 84,287 square miles, or about 53,943,379 acres, of which 3,608,012 acres are water. In altitude it appears to be one of the highest portions of the continent, as the headwaters of three great river systems are found in its limits, those of streams flowing northward to Hudson Bay, eastward to the Atlantic ocean, and southward to the Gulf of Mexico.

About half of this surface, on the south and west, consists of rolling prairie, interspersed with frequent groves, oak openings and belts of hardwood timber, watered by numberless lakes and streams, and covered with a warm, dark soil of great fertility. The rest, embracing the elevated district immediately west and north of Lake Superior, consists mainly of rich mineral ranges and of the pine forests which clothe the headwaters of the Mississippi, affording but a very small percentage of broken, rocky or worthless land in the State. Nearly all is arable.

very extensive supplies of lumber. There is

Surveys with leveling from the sea show that the shore of Lake Superior is the lowest land in the State, 602 feet above sea level. The waters of the northeastern part of the State south of the Mesabi iron range flow into Lake Superior and are carried to the Atlantic ocean. The Mississippi river, having its chief source in Lake Itasca, at 1,466 feet elevation, runs in a southerly direction, leaving the State at 620 feet above sea level.

The Red River of the North, rising in the north, near Itasca Lake, at a height of 1,600 feet above the ocean, after a circuitous route south and west to Breckenridge, in Wilkin county, and then flowing north along its great valley, leaves the State at an elevation of 750 feet. The average elevation of the State is given at about 1,275 feet. The highest elevation is the Misquah hills, in Cook county, 2,230 feet.

The elevation of Minnesota above the sea, its fine drainage, and the dryness of the atmosphere, gives it a climate of unusual salubrity and pleasantness. It has an annual mean temperature of 44 degrees, while its mean summer temperature is 70 degrees, the same as that of Middle Illinois and Ohio, Southern Pennsylvania, etc. The excessive heats of summer often felt in other States are here tempered by the cooling breezes. Its high latitude gives it correspondingly longer days in summer than States further south, and during the growing season there are two and one-half hours more sunshine than in the latitude of Cincinnati. This, taken in connection with the abundant rainfall of early summer, accounts for the rapid and vigorous growth of crops in Minnesota, and their early maturity. The cool breezes and cool nights in summer prevent the debilitating effects of heat on the system often felt in low latitudes. The winter climate is one of the attractive features of the State. Its uniformity, and prevailing freedom from thaws and excessive spells of cold, severe weather or heavy snow storms, and its dryness, together with the bright sunshine and electrical condition of the air, all tend to enhance the personal comfort of the resident, and make outdoor life and labor a pleasure.

The following table shows the increase in population for 50 years:

1850.....	6,077	1880.....	780,773
1860.....	172,023	1890.....	1,301,826
1870.....	439,706	1900.....	1,751,394

LAWS REGULATING THE PRACTICE OF MEDICINE AND SURGERY IN THE STATE OF MINNESOTA.

(Chapter 35, Revised Code of 1905, in effect March 1, 1906.)

Board of Medical Examiners—Officers—Records: The State Board of Medical Examiners shall consist of nine qualified resident physicians, appointed by the Governor each for the term of three years and until his successor qualifies. No member thereof shall serve for more than two successive terms, nor shall any instructor or person financially interested in a medical school be appointed thereto; and it shall at all times include three homeopathic physicians. Vacancies shall be filled by like appointment for the unexpired term. The Board shall elect from among their number a President, a Secretary, and a Treasurer, and shall adopt a seal. It shall hold examinations at the seat of government on the first Tuesday in January, April, June and October of each year, and at such other times as it shall deem best. The Secretary shall keep a record of all its proceedings, including a register of all applicants for license, giving their ages, a description of their education in medicine, and the result of their examination. Said book and register shall be prima facie evidence of all of the matters therein recorded.

Examination and License: A person not already authorized to practice medicine in the State, and desiring so to do, shall apply to the Secretary of the Board of Examiners, and pay a fee of $10 for the use of the Board, which in no case shall be refunded. At a time appointed, or at the next regular examination, he shall prove that he has completed four entire sessions of twenty-six weeks each at a medical school recognized by the Board, no two sessions having been held in one year; or, if such attendance was prior to the year 1899, three sessions shall suffice. He shall be examined in anatomy, chemistry, histology, obstetrics, pathology, physiology, preventive medicine, the diagnosis and treatment of medical and surgical diseases, and such other branches as the Board shall deem advisable. After such examination the Board, if seven members thereof consent, shall grant him a license to practice medicine. The examination shall be both scientific and practical, and shall thoroughly test the fitness of the candidate. All answers concerning the treatment peculiar to any school of medicine shall be examined, and their sufficiency passed upon by the members of the Board belonging to that school, and their recommendations thereon shall be final. The Board may refuse to grant a license to, or may revoke the license of, any person guilty of immoral, dishonorable, or unprofessional conduct, subject to right of applicant to appeal to the Governor.

Record of Licenses—Report to Secretary: Before engaging in practice, the holder of a license shall file the same for record with the clerk of the district court in the county where he resides. Upon removal to another county, he shall there file his license in like manner before engaging in practice therein. Such clerk shall keep in the record book of such licenses an index thereof, showing the date and page of record, and in January of each year shall furnish to the Secretary of the Board a list of licenses so filed. Upon notice to the clerk of the death or removal of a licensee, or of the revocation of a license, he shall note the same upon the record of such license.

Exemptions: This subdivision shall not apply to commissioned surgeons of the United States army or navy, to physicians from other States in actual consultation here, or to students practicing under the direct supervision of a preceptor while they are enrolled in and regularly attending a recognized medical school.

Practicing Without License—Penalty: Every person not heretofore authorized by law so to do who shall practice medicine in the State without having obtained the license herein provided for, and every person who shall so practice contrary to any provision of this subdivision, shall be guilty of a misdemeanor, the minimum punishment whereof shall be a fine of $50, or imprisonment for 10 days. Any person shall be regarded as practicing within the meaning of this subdivision who shall append the letters M. D. or M. B. to his name, or for a fee prescribe, direct and recommend for the use of any person any drug or medicine or other agency for the treatment or relief of any wound, fracture, or bodily injury, infirmity or disease; provided the section shall not apply to dentists.

MEDICAL RECIPROCITY ACT.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. That the State Medical Examining Board either with or without examination may grant a license to any physician licensed to practice by a similar Board of another State, and who holds a certificate of registration showing that an examination has been made by the proper Board of any State on which an average grade of not less than seventy-five (75) per cent was awarded the holder thereof, the said applicant and holder of such certificate having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in this State, which said diploma may be accepted in lieu of an examination as evidence of

qualifications. In case the scope of said examination was less than that prescribed by this State, the applicant may be required to submit to an examination in such subjects as have not been covered. The fee for such examination shall be fifty ($50) dollars.

A certificate of registration or license issued by the proper Board of any State may be accepted as evidence of qualification for registration in this State: Provided, the holder thereof was at the time of such registration the legal possessor of a diploma issued by a medical college in good standing in this State and that the date thereof was prior to the legal requirements of the examination test in this State.

Sec. 2. If, by the laws of any State or the rulings or decisions of the appropriate officers or boards thereof, any burden, obligation, requirement, disqualification or disability is put upon physicians registered in this State or holding diplomas from medical colleges in this State which are in good standing therein, affecting the right of said physicians to be registered or admitted to practice in said State, then the same or like burdens, obligations, requirements, disqualifications or disability shall be put upon the registration in this State of physicians registered in said State or holding diplomas from medical colleges situated therein.

Sec. 3. All acts and parts of acts inconsistent with this act are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its passage.

Approved April 18, 1905.

MISSISSIPPI.

CAPITAL, JACKSON.

Population of State, 1,551,270.
(U. S. Census of 1900.)
Number of Physicians, 1,749.

Mississippi was organized as a territory April 7, 1798, and admitted as a state, December 10, 1817. The total land surface is, approximately, 46,340 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 27.8; 1900, 33.5. It extends from 30° 20′ to 35° north latitude, and from 88° 12′ to 91° 40′ west longitude, and is bounded on the north by Tennessee, on the south by Louisiana and the Gulf of Mexico, on the east by Alabama, and on the west by Arkansas and Louisiana. The climate is warm, the winters being short and mild, the summers long and hot. The mean annual temperature as observed at Vicksburg is 65.57°, that of the summer 80.52°, and of the winter, 50.45°. The average annual rainfall is about 54 inches, ranging from 48 inches in the northwest to 64 on the Gulf coast. The northeastern is the highest part of the state and forms an undulating table land, which slopes gently down towards the west and south and terminates with steep bluffs on the banks of the Mississippi and Yazoo rivers. In several places these bluffs approach close to the river; in others a broad belt of swampy bottom lands extends along their base. The northwest part of the state includes the largest of these swampy regions, which are extremely fertile. The state is well watered. The principal rivers are the Mississippi and its tributaries, the Yazoo, Big Black, Tallahatchie, Sunflower, Bayou Pierre, Yallabusha and Homochitto, and their tributaries, the Pearl, which empties into the Mississippi sound, the Pascagoula river, which

ANTIKAMNIA PREPARATIONS
PLEASE SEE PAGE 3 FOR PARTICULARS

is formed by the Leaf and Chickasawha rivers and empties into the Gulf, and the Tombigbee, which drains the northeastern portion. The Tennessee river touches the northwest corner of the state for about fifteen miles. The soil is very fertile, and the vegetation luxuriant.

The following table shows increase in population for 70 years:

1830.....	136,621	1870.....	827,922
1840.....	375,651	1880.....1,131,597
